LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

6083. Hon Giz Watson to the Parliamentary Secretary representing the Minister for the Environment
 Japanese-owned INPEX Browse Ltd (INPEX) is proposing to establish a 12 million tonne per annum liquefied natural gas plant on the Maret Islands on the North-West Kimberley Coast. On or about 4 May 2006, the Office of Development Approvals Coordinator referred the 'Ichthys gas-condensate field development Maret Islands in the Bonaparte Archipelago off the Kimberley Coast' (INPEX Kimberley Coast LNG Development) to the Department of Environmental Protection (EPA). On or about 18 May 2006, the EPA recommended that the environmental assessment for the INPEX Kimberley Coast LNG Development be set at the level of Environmental Review and Management Programme (ERMP). The Minister and Government has made much of the rigorous environmental scrutiny to which the INPEX Kimberley Coast LNG Development will be subject, and I ask -

- (1) When does the Minister believe the conclusion of all State and Federal environment legislative requirements will be satisfied in respect of the INPEX Kimberley Coast LNG Development?
- (2) Once the State and Federal departmental or authority environment evaluations are concluded, will the minister outline legislative procedures to be followed subsequent to the release of those bulletins or draft reports?
- (3) Once the procedures outlined in answer to question 2 are finalised, what role does the Minister have in determining if the project should proceed or not?
- (4) Is advice or consideration by Cabinet included in the Minister's final decision?

6084. Hon Giz Watson to the Parliamentary Secretary representing the Minister for State Development

Since the coming to power of the current State Government in 2001, there have been many changes in the departments associated with State Development, I therefore ask -

- (1) Will the Minister outline the changes of name and structure to the Department/s and branches handling State Development since 2001 by date?
- (2) Will the Minister outline the office location changes of the Department/s and branches handling State Development since 2001 by date?
- (3) Will the Minister outline the FTE of the Department/s and branches handling State Development since 2001 by financial year?
- (4) Will the Minister outline the names of the senior executive and management of the Department/s and branches handling State Development since 2001 by financial year?
- (5) Will the Minister provide the current administrative structure of all senior and managerial employees within Department/s and branches handling State Development?
- (6) Will the Minister provide a list of all consultants and individuals employed on contract by the Department/s and branches handling State Development since 2001 by date and task?

6085. Hon Giz Watson to the Parliamentary Secretary representing the Minister for State Development

I refer to the Regional Minerals Program, Developing the West Kimberley's Resources, Main Report August 2005, the Northern Development Taskforce, the Northern Development Taskforce West

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

Kimberley – Environment Working Group, and the Part 10 Strategic Assessment relating to the assessment of the impacts of actions under the Plan for the Browse Basin Common User Liquefied Natural Gas Hub Precinct and associated activities, and I ask -

- (1) Will all the elements contained in and that are a corollary to '7. Browse Basin natural gas development potential' as outlined in the 'Regional Minerals Program, Developing the West Kimberley's Resources, Main Report August 2005', be considered by the Northern Development Taskforce and the Northern Development Taskforce West Kimberley – Environment Working Group?
- (2) If no to (1), why not?
- (3) If yes to (1), what are the associated issues outlined in the 'Regional Minerals Program, Developing the West Kimberley's Resources, Main Report August 2005', that will now be considered?
- (4) Have the environmental members of the Northern Development Taskforce West Kimberley – Environment Working Group sought an expansion of the area of assessment and impact of the location of a Gas LNG Gas Processing Hub to other sites located outside the area outlined in '000107.Gillian.GALLAGHER.pdf' located on the Department of Industry and Resources website?
- (5) If yes to (3), has such an expansion been agreed to, and which areas are now to be included?

6086. Hon Peter Collier to the Minister for Local Government representing the Minister for Education and Training

6090. Hon Giz Watson to the Parliamentary Secretary representing the Minister for the Environment

I refer to the issuing of a licence to cull ravens in the Town of Mosman Park, and I ask -

- (1) What advice was provided by the Department of Environment and Conservation (DEC) to the Town of Mosman Park with regards to culling ravens?
- (2) On what date or dates was that advice given?
- (3) Was that advice oral or written, and to whom was it provided?
- (4) What evidence was provided to the Town of Mosman Park to justify culling of ravens?
- (5) What information was provided to the Town of Mosman Park indicating that a licence could be (or has been) issued?
- (6) Was a written report provided by the DEC to the Town of Mosman Park or any other party on the possible culling of ravens in the Town of Mosman Park?
- (7) If yes to (6), please provide a copy of the report.

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

- (8) What field assessment did the staff of the DEC conduct to evaluate the numbers of ravens in the Town of Mosman Park and/or the Western suburbs more generally?
- (9) If an assessment was carried out, what methodology was used by the DEC for that assessment, including -
 - (a) how many times did the Department visit the area;
 - (b) how long;
 - (c) how was the data analysed;
 - (d) which staff visited the area, when and what were their qualifications;
 - (e) can the DEC provide the report that resulted from that assessment;
 - (f) how did the DEC come to the conclusion that numbers of ravens in Town of Mosman Park were higher than average; and
 - (g) which area did the DEC use as 'control' in comparing the raven numbers in the Town of Mosman Park with the general raven population?
- (10) If no field assessment was carried out, on what basis did the DEC suggest that raven numbers were high and that culling was required?
- (11) Was a field assessment carried out by the DEC on the alleged nuisance that the ravens are claimed to cause to residents of the Town of Mosman Park with regard to, -
 - (a) noise; and
 - (b) spreading of rubbish?
- (12) Has the DEC demonstrated the likely effectiveness of shooting ravens to control their population and that culling ravens will significantly and lastingly reduce the raven population?
- (13) Before considering the issuing of a licence to the Town of Mosman Park for the shooting of ravens, did the DEC take into consideration alternative options including, -
 - (a) non-lethal means of controlling the raven population;
 - (b) if yes to (a), which ones and why weren't these methods adopted in preference to the killing of native birds; and
 - (c) damage mitigation by requiring that the Town of Mosman Park implement a policy of, -
 - (i) emptying public bins more often so they do not overflow;
 - (ii) enclosing rubbish into containers not accessible to ravens;
 - (iii) requiring that ratepayers do not overfill their bins; and
 - (iv) other means?
- (14) Did the DEC take into consideration the risks to public safety of the shooting operations in public 'A-Class' reserves, ie. that members of the public could be injured or killed by stray bullets?

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

- (15) Has the DEC submitted its proposal to shoot ravens to an ethics committee independent from the Department for assessment?
- (16) Has the DEC received other requests to issue a license to cull ravens by other Local Government authorities in the Perth Metropolitan Region?
- (17) If yes to (16), which ones?
- (18) Did the DEC consult with the local Nyungah people before making a decision?
- (19) If yes to (18), how were the views of the Nyungah people taken into account in the decision?

6091. Hon Giz Watson to the Leader of the House representing the Premier

In relation to the revised road safety penalties, I ask -

- (1) Is the Premier aware of the contents of the February 2007 Community Sector Survey published by the Australian Council of Social Service, which found that in 2005/2006 the 107 Western Australian respondent agencies surveyed assisted 13 percent more people than they had the year before but still had to turn away 54 percent more people than they had the year before?
- (2) Is the Premier aware of the contents of the August 2007 paper 'The Rising Cost of Living in Western Australia' published by the Western Australian Council of Social Service Inc., which found that for low income earners and people experiencing disadvantage, the cost of living in Western Australia, particularly in respect of housing, food and petrol, is rising so much faster than their incomes so as to create significant financial hardship?
- (3) Is the Premier aware of the contents of the October 2007 paper 'Australia Fair: Update on those missing out' published by the Australian Council of Social Service, including its finding that in 2005/2006 9.5 percent of Western Australians were living on less than 50 percent of the median disposable income for all Australian households?
- (4) Is the Premier aware that in its 2008/2009 Pre-Budget Submission, the Western Australian Council of Social Service recommended as a result of the financial hardship being experienced by many Western Australians, that the Government develop and monitor a Cost of Living Index to inform financial and social policy?
- (5) Is the Premier aware that in the week ending on 6 March 2008, fine default accounted for 1.8 percent of the adult prisoner population, and at times over 2007 accounted for over 4 percent of the adult prisoner population?
- (6) Has the Government considered any of the following, -
 - (a) making fines means-tested, eg. via penalty units having a sliding scale of dollar values based on the person's income tax bracket;
 - (b) alternative sanctions; and
 - (c) a reward system for good driving?
- (7) If yes to (6), what were the reasons for dismissing each of these options?

6098. Hon Giz Watson to the Parliamentary Secretary representing the Minister for State Development

In August 2005, the Department of Industry and Resources (DOIR) released the report, 'Developing the West Kimberley's Resources' (the 'Study'). Mr Bevan Stott, Indigenous development consultant, was part of the consultant team that undertook the Study, and I ask –

- (1) Did the objectives of the Study include the encouragement of a coordinated approach by industry, Local, State and Australian Governments to facilitate the cost efficient and effective development of gas and mineral processing activities, and promote regional employment opportunities in the West Kimberley region?
- (2) Is the Minister aware that Mr Bevan Stott was engaged by the Wunambal Gaambara Aboriginal Corporation before, during, and after his participation on the consultant team?
- (3) Is the Minister aware that Mr Bevan Stott is now called upon by members of the Wunambal Gaambara Aboriginal Corporation to advise, inter alia, as to whether those same members should enter into long-term financial arrangements with organizations that previously sat on the Government-Industry Management Committee that oversaw the Study?
- (4) Is the Minister aware that Mr Bevan Stott holds what might reasonably be considered to be a fiduciary relationship with the Wunambal Gaambara Aboriginal Corporation and its members and that they are particularly reliant upon the advice of Mr Stott and he exercises a position of extreme trust?
- (5) If yes to (4), is the Minister required to take note of this information?
- (6) If no to (4), will the Minister avail himself of this information?
- (7) Will the Minister confirm that he is aware that Mr Bevan Stott, in the course of his work with the Wunambal Gaambara Aboriginal Corporation, is called upon to regularly organize meetings on behalf of the same, the Kimberley Land Council, Government and with mining and gas proponents?
- (8) If no to (7), will the Minister avail himself of this information?
- (9) Will the Minister confirm that he is aware that Bevan Stott, by virtue of his position, can control which Wunambal Gaambara Aboriginal Corporation members are in attendance at particular meetings on the basis that it is he that, -
 - (a) provides notice of the same;
 - (b) controls timing as to notice of the same; and
 - (c) makes travel arrangements for many of the members to attend the same?
- (10) If no to (7), will the Minister avail himself of this information?
- (11) Will the Minister confirm that he is aware that the Executive Director of the KLC has made it clear that the Kimberley Aboriginal people cannot afford to ignore the vast financial inducements that stand to be made from the mining and oil companies seeking to exploit the Kimberley's resources by stating, 'These are multi-billion dollar projects and traditional owners should expect no less than a multi-billion dollar deal,' when interviewed on the ABC's 7.30 Report?

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

- (12) If no to (11), will the Minister avail himself of this information?
- (13) Does the Minister consider it appropriate for the Executive Director of the KLC, as head of the Native Title Representative Body, to proffer this view when his duty is to represent the wishes of all Native Title claimants in an open process in line with the Premier's statement in the Legislative Assembly, on 21 November 2006?
- (14) Bevan Stott is a former senior employee of the KLC. Does the Minister consider that Bevan Stott might reasonably be considered to hold a serious conflict of interest in the discharge of his duties on behalf of the Wunambal Gaambera Aboriginal Corporation by virtue of, -
 - (a) his former long-term employment relationship with the KLC and continuing friendships with senior members of that organisation; and
 - (b) his having previously been paid by the Government, and overseen by industry to advise both the Government and industry on the development of the West Kimberley's mineral and energy resources?
- (15) If no to (14), will the Minister confirm that a serious perception of conflict might reasonably be seen to exist?
- (16) If no to (15), why not?
- (17) Will the Minister confirm that Bevan Stott has at all times discharged his fiduciary duty, and continues to discharge that fiduciary duty to act in relation to the Wunambal Gaambera Aboriginal Corporation and its members by, -
 - (a) continuing to advise those members on whether they should enter into major long-term mining and energy arrangements with companies that previously sat on the Government-Industry Management Committee that oversaw the Study;
 - (b) continuing to participate in the arrangement of meetings involving the KLC and/or proponents and/or Government and the Wunambal Gaambera Aboriginal Corporation and its members; and
 - (c) continuing to participate in meetings involving the KLC and/or proponents and/or Government and the Wunambal Gaambera Aboriginal Corporation and its members?
- (18) If no to (17), why not?
- (19) Has the Government or its Agencies contracted with Mr Stott for the provision of any consultancy services (other than the Study) by Mr Stott since 1 August, 2004?
- (20) If yes to (19), please state the, -
 - (a) the names of all contracting parties, as broken out by consulting engagement in which Mr Stott has been engaged by Government or its Agencies since that time;
 - (b) the Australian dollar value of the consulting services provided by Mr Stott, as broken out by consulting engagement in which Mr Stott has been engaged by Government or its Agencies since that time;
 - (c) the services which formed the subject of Mr Stott's consulting engagement, as broken out by consulting engagement in which Mr Stott has been engaged by Government or its Agencies since that time;

6099. Hon Norman Moore to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

What is the cost of constructing the Coral Bay boat launching facility?

6100. Hon Paul Llewellyn to the Leader of the House representing the Minister for Water Resources
I refer to the Government's commitment in the February 2003 *State Water Strategy* to require a Water Conservation Plan to be developed before a water allocation licence is issued or renewed, and to put in place conditions on those licences for implementation of the plan to an agreed schedule, and I ask -

- (1) How many applications for new licences and renewals have been made since this commitment was given?
- (2) How many water allocation licences have been issued since this commitment was given?
- (3) Of those water allocation licences, how many require the implementation of a Water Conservation Plan?
- (4) If this commitment has not been fully implemented, why not?

6101. Hon Paul Llewellyn to the Minister for Forestry

With reference to the video footage screened on the internet at www.globalwarmingfg.com taken on 21 March 2008 at Picton near Bunbury, evidencing huge stockpiles of native timber, namely wandoo, jarrah and marri, being used for the production of railway sleepers, I ask -

- (1) Regarding the contracts of sale for the logs used to produce these railway sleepers, -
 - (a) what is the name of the buyers;
 - (b) what species, grade and quantity of logs (in tonnes and cubic metres) are they buying;
 - (c) what base and gross price per tonne and cubic metre do they pay the Forest Products Commission (FPC) for the logs;
 - (d) when do the contracts begin and end; and
 - (e) are there any conditions regarding the products the buyers are to produce from these logs?
- (2) If yes to (1)(e), what are they?
- (3) Will the Minister please table all contracts of sale for logs used to produce railway sleepers?

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 1 April 2008*

- (4) Will the Minister please table the specifications for the railway sleepers made from logs sold by the FPC?
- (5) Given that the Gallop Government was elected on the basis of the policy that 'Labor will ensure that Westrail ceases the utilisation of native timber for new railway sleepers, and shifts to a total reliance on alternative materials such as concrete, steel and plantation timber,' will the Carpenter Government ensure that this policy is implemented?
- (6) Will the Government include in the contracts for the sale of logs, other than 1st and 2nd grade, the same requirement that is in the contracts for the sale of 1st and 2nd grade sawlogs, namely that the buyer must process into value added timber products, which do not include railway sleepers, all logs delivered to the site?
