Point of Order

Hon Nick Goiran raised the following Point of Order —

I note that Standing Order 15(2) states —

After the conclusion of formal business each Wednesday, motions on notice shall be taken for a period of 120 minutes.

For some reason we have moved directly to orders of the day.

President's Ruling

The President ruled as follows —

Member, I refer you to the Temporary Order on motions on notice. Section 4(6)(b) states that if no written notification is provided to the Clerk by the specified deadline—so that it could be put on the Weekly Bulletin—and unless the Council otherwise orders on motion without notice, business to be taken under Standing Order 15(2) for the following week shall be vacated and the Council is to proceed to other business. The House has just agreed to suspend Standing Orders and not deal with committee reports, which means that the next item of business would be to move to Orders of the Day.

Point of Order

Hon Nick Goiran raised the following Point of Order —

My point of order is about Standing Order 70, which states that Motions not moved shall be discharged from the Notice Paper. I seek your ruling on whether Hon Pierre Yang's Motion will stay on the Notice Paper or has been discharged.

President's Ruling

The President ruled as follows —

Honourable Member, it stays, yes. It may very well be that whilst the Member may not have elected to proceed with the Motion today, it does not prevent that particular Member from seeking to move and deal with that Motion on another occasion.
