348. Hon Robin Chapple to the Minister for Racing and Gaming representing the Minister for Consumer and Employment Protection

The report 'The Struggle for Time', on the impact of extended shifts in the Tasmanian mining industry, was recently released by the Tasmanian State Government -

- (1) Has the Minister had the opportunity to review the document?
- (2) Was the Minister concerned with the findings of the report, specifically the similarity between the Western Australian mining industry and the Tasmanian mining industry, whose 12 hour employee shifts are linked to increased accidents, ill-health and social impacts?
- (3) Will the Minister consider implementing a similar review of mining in Western Australia?
- (4) If yes, when?
- (5) If no to (3), why not?
- (6) In light of the initial Tasmanian findings, will the Government be seeking a change to employee rosters to help reduce workplace accidents and anti-societal impacts?
