5915. Hon Giz Watson to the Parliamentary Secretary representing the Minister for State Development

With regard to the Federal Minister for the Environment, Heritage and the Arts announcement on 5 February 2008 in his opening address by video to the workshop on Kimberley Coast Natural Values, that the Federal and State Governments will carry out a strategic assessment to identify a site for a single common-user LNG hub for the Browse Basin. The already completed cultural and environmental values contained within the National Heritage listing of the area of the Dampier Archipelago, I ask -

- (1) Is the Minister or her Department aware that the State Government representative Mr Limerick, who currently chairs the Western Australian Government's Northern Development Task Force, had committed in 1994 to carry out an assessment of the Dampier region as a result of his Department's legal intervention in stopping the Dampier Archipelago being assessed by the Environmental Protection Authority? (See <http://www.dampierrockart.net/Media/1994-07-0%20Pilbara%20Industrial%20Development-Limerick-Media.pdf>).
- (2) Is the Minister or her Department aware that no strategic or environmental assessment of industrial development on the Dampier Archipelago was ever subsequently carried out by the Western Australian Environmental Protection Authority?
- (3) Does the Minister for State Development therefore consider it's time for a rational, a considered and holistic approach to planning in the Pilbara region as outlined for the Kimberley?
- (4) Does the Minister believe that piecemeal development, with multiple ports and processing plants along the Pilbara coast is in the national interest?

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Tuesday, 19 February 2008*

- (5) If yes to (3) and (4), when will the Minister seek such a strategic assessment in conjunction with the Federal Minister?
- (6) If no to (3) and (4), why not?
- (7) In the State and Federal Government's search for a suitable single common-user LNG hub for the Browse Basin gas, will the Minister rule out the use of the Dampier Archipelago as a location for a development option outside the Kimberley region?

5916. Hon Giz Watson to the Minister for Local Government representing the Minister for Indigenous Affairs

With regard to the Burrup Peninsula, Dampier Archipelago and Indigenous Heritage, I ask -

- (1) Has correspondence from a United Nations body or other such similar organisation been received by the Minister, her Department or authorities pertaining to the Dampier Archipelago, Burrup Peninsula or the Woodside Pluto development?
- (2) If yes to (1), what was the nature of that correspondence?

5919. Hon Giz Watson to the Minister for Local Government representing the Minister for Indigenous Affairs

With regard to the Burrup Peninsula, Dampier Archipelago and Ingenious Heritage, I ask -

- (1) On what date did Woodside complete moving petroglyphs, panels standing stones and other material from sites A and B?
- (2) Without identifying specific locations, was the cultural material moved on site A retained on the leases on the western side of the Haul Road?
- (3) Without identifying specific locations, was the cultural material moved on site B retained on the lease on eastern side of the Haul Road?
- (4) Was any cultural material relocated to any other location on the Burrup?
- (5) Was any cultural material relocated to the old fenced compound to the northeast of Burrup Fertilisers?
- (6) If yes to (4) or (5), how much material of what nature was moved?
- (7) Given the instability of the relatively recent rock slopes in the major valley that transects site B in SE-NW transect, what methods will be used to protect rock art and other material by ensuring slope stability in this valley?
- (8) Will independent scientific monitoring of the relocated rock art be undertaken at regular intervals to ensure stability, integrity and weathering?
- (9) If yes to (8), by whom, how many times a year and will the monitoring be ongoing?
- (10) If no to (8), why not?
- (11) Will independent archaeological experts be allowed to view the relocated material and how?
