Clause 1.

Debate resumed.

Point of Order

The Leader of the House representing the Minister for Planning raised the following Point of Order —

In the strongest possible terms, the suggestion that I have lied to the Parliament is unparliamentary and, frankly, unbecoming of this Member, who normally conducts himself close to the edge, but he does not usually go over it.

Chair's Ruling

The Chair ruled as follows —

Members, the Minister in charge of the Bill has raised a point of order that is upheld. You cannot accuse a Member of lying unless you wish to raise a matter of privilege consistent with Standing Order 93. All other allegations in that regard are unparliamentary and I ask the Member to withdraw.

Hon Nick Goiran withdrew his remark.

Debate resumed.

Point of Order

The Leader of the House representing the Minister for Planning raised the following Point of Order —

We are going around in a circle here. Yesterday, the Member asked for some information. I gave an undertaking, which I intend to honour.

Chair's Ruling

The Chair ruled as follows —

Member, a point of order has been raised by the Minister. There have been previous rulings in this place on this matter—that is, it is not accepted by the Chamber that a Member should suggest that someone has potentially committed, or has committed, a contempt, without raising a matter consistent with Standing Order 93. I recall a quite obvious ruling in the last Parliament with respect to this matter. I ask the Member not to continue to make allegations about potential contempt, unless he stands and raises a matter of privilege consistent with Standing Order 93 under the process that I have already outlined.

Debate resumed.

The Leader of the House representing the Minister for Planning tabled a map, *Metropolitan Region Scheme (Beeliar Wetlands) Bill 2021* – Beeliar Regional Park area of interest. (Tabled paper 436).
