Motions

- 6. Australian Involvement in Military Action in Iraq** (*Notice given August 13 2002*)

Resumption of debate (Tuesday, December 3 2002, Hon Simon O'Brien (mins 45)) on motion of Hon Dee Margetts as follows -

That this House notes -

- (1) The recent comments from the Prime Minister and Minister for Foreign Affairs regarding Australia's possible support for US military action in Iraq.
- (2) That these comments were made in the absence of any United Nations resolution or processes.

- (3) The threat to the livelihood of Western Australian agricultural producers and exporters in light of the Prime Minister's indication that any request for Australian assistance would be considered against the "national interest test".
- (4) The statements from Labor Leader Simon Crean that Mr Howard's and Mr Downer's statements are out of step with other international opinion.
- (5) The likely impact on the civilian population, particularly women and children.

Therefore, the Legislative Council informs the Federal Government that it does not support Australian involvement in military action in Iraq without UN backing.

7. Implications of Regional Planning on Industrial Development - Karratha and Barrow Island (*Notice given August 13 2002*)

Hon Robin Chapple: To move -

That the House notes the serious implications of the lack of coordinated regional planning covering the proposed industrial development in the regions of Karratha and Barrow Island. Particularly the ad hoc manner in which the Government is attempting to allocate industry to various sites without providing strategic options for that industry and placing such industry against the wishes of the local and wider community.
