QUESTIONS ASKED TODAY

*Notice given**Thursday, December 5 2002*

346. Hon Frank Hough to the Minister for Racing and Gaming representing the Minister for Police and Emergency Services

In July 2002 a Victoria Park Town parking infringement effectively put a stop to civilian camera operators from setting up Multanova speed cameras on freeways and major roads. In the six months since the infringement, could the Minister please provide -

- (1) How much revenue due to speeding fines has been lost to the Government?
- (2) How many road deaths have been recorded on freeways and other major roads?
- (3) How does this figure compare with the number of road deaths on freeways and major roads over the same period in 2001?
- (4) If the number of road deaths from July to December in 2002 is less than or equal to the number of road deaths over the same period in 2001, when will the Government abolish the use of Multanova speed cameras?

347. Hon Giz Watson to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

I thank the Minister for her answer to my question without notice No. 424 of November 28 2002. In relation to the recent consideration by the Western Australian Planning Commission of the proposed Stephenson Highway road reserve, and the recommendation that at this stage the existing reserve be retained within the Metropolitan Region Scheme -

- (1) Will the Minister table any relevant minutes, documents or other record of the meeting or meetings in which consideration to that matter was given by the Western Australian Planning Commission?
- (2) If not, why not?
- (3) Will the Minister table any relevant minutes, documents or other record of the meeting or meetings at which the recommendation was put forward that at this stage the existing reserve be retained within the Metropolitan Regional Scheme?
- (4) If not, why not?
