4783. Hon Paul Llewellyn to the Minister for Forestry

In relation to the statement in the Forest Products Commission's (FPC) Annual Report for 2004-05, at page 81 that there is provision for a claim under arbitration in the sum of \$10 million, and the statement in the FPC's Annual Report for 2005-06 at page 88, that the provision raised in 2004-05 for claims lodged against the Commission arising out of the Government's protecting our old growth forests policy, had been reversed due to the Government's decision not to hold the Commission responsible for the claim -

- (1) What company or companies made the claim(s) against the FPC for which the Government has taken responsibility?
- (2) What were the grounds of the claim(s)?
- (3) Why has this claim not only been written out of the accounts but been replaced by \$10 million in 'revenue', resulting in a \$20 million improvement in the FPC's finances?

With reference to the Government's business exit funding provided to the timber industry, I ask -

4787. Hon Paul Llewellyn to the Minister for Forestry

With reference to logging in our native forest -

- (1) Can the Minister confirm that the number of management letters received by the Forest Products Commission (FPC) from the Department of the Environment and Conservation (previously Conservation and Land Management) for non-compliant logging activities that could not be rectified rose from 11 in 2004-05 to 26 in 2005-06 representing an increase of 136 percent?
- (2) If no to (1), what is the figure?
