## Questions Asked Today

*Notice Given*                      *Tuesday, 11 August 2020*

**3034. Hon Rick Mazza to the Minister for Regional Development representing the Minister for Water**

- (1) In my question regarding the Water Corporation and Easements on 25 June 2020, can the Minister clarify his answer that “The landowner continues to ... maintain the land as the titleholder of the land”?
- (2) Is the Minister stating that in regards to easements, the landowners (assuming that there is no prior agreement) are legally obligated to also maintain the easements held by the Water Corporation?
- (3) If the answer is yes, can the Minister provide the legal authority for this view as I understand that the common law position in Western Australia in regard to easements is that a landowner is not legally obligated to maintain an easement held by the Water Corporation?

**3035. Hon Robin Chapple to the Minister for Regional Development representing the Minister for Water**

I refer to the Millstream Water Reserve Water Supply (MWRWS), the Bungaroo Coastal Water Supply Borefield (BCWSB) and the Harding Dam, and I ask:

- (a) would the Minister please table the total volumes of water taken, per year, and for every year, since 1 May 2000:
  - (i) from the MWRWS;
  - (ii) from the BCWSB; and
  - (iii) from the Harding Dam?

**3036. Hon Robin Chapple to the Minister for Regional Development representing the Minister for Water**

I refer to the West Pilbara Water Supply Scheme (WPWSS), and I ask:

- (a) in the Minister’s words, what is the WPWSS;
- (b) what infrastructure forms part of the WPWSS;
- (c) which private sector entities have ownership interests in the assets of the WPWSS:
  - (i) what is the extent of the ownership interests of those entities referred to at (c);
- (d) in reference to the Millstream Water Reserve Water Supply (MWRWS), and the Bungaroo Coastal Water Supply Borefield (BCWSB), which carry water to the coast:
  - (i) what is the total combined capacity, as a function of volume over time, of the pipeline(s) carrying water from the MWRWS & BCWSB to the coast;
  - (ii) are there any plans to increase the capacity of those pipelines referred to at (d)(i);
  - (iii) if yes to (d)(ii), would the Minister please table these plans;
  - (iv) are works currently underway to increase the capacity of those pipelines referred to at (d)(i); and
  - (v) if yes to (d)(iv), would the Minister please advise on the progress of these works, in a general sense;
- (e) what total volumes of water have been supplied by the WPWSS, per year, and for every year, since 1 May 2009:

## LEGISLATIVE COUNCIL

**Questions Asked Today**

**Notice Given**                      **Tuesday, 11 August 2020**

- (i) of the amount in (e), what volume has been supplied by the WPWSS:
  - (A) for residential use, per year, and for every year, since 1 May 2009;
  - (B) for industrial use, per year, and for every year, since 1 May 2009; and
  - (C) under bulk supply - or other agreements outside of residential or industrial use - , per year, and for every year, since 1 May 2009;
- (f) within the boundaries of the City of Karratha, are there major water users that are not supplied by the WPWSS;
- (g) if yes to (f), who are those major water users and where do they source their water; and
- (h) are new water sources being investigated to supplement or supply the WPWSS:
  - (i) if yes to (g):
    - (A) would the Minister please advise of the relevant details and progress; and
    - (B) in relation to the sourcing of new water supplies for the WPWSS, could the Minister please advise when a final decision is expected regarding the investigation?

**3037. Hon Robin Chapple to the Minister for Regional Development representing the Minister for Water**

I refer to the Millstream Water Reserve Water Supply (MWRWS), and I ask:

- (a) how many monitoring bores are contained in the MWRWS;
- (b) what are the locations of the bores referred to at (a);
- (c) what has been the Mean Aquifer Level (MAL) in the MWRWS for each recording interval, since 2000;
- (d) what is the minimum MAL, below which the MWRWS should not fall:
  - (i) who sets this figure;
  - (ii) is this minimum MAL binding:
    - (A) if yes to (d)(ii), will the Minister please explain how so; and
  - (iii) which body is responsible for monitoring the MAL;
- (e) has the MAL at the MWRWS been revised at any point(s) since 2000:
  - (i) if yes to (e):
    - (A) when; and
    - (B) would the Minister please explain the manner in which the MAL was revised;
- (f) what are the implications of the MAL at the MWRWS falling below the minimum amount:
  - (i) for abstraction licence holders; and
  - (ii) the environment;
- (g) which organisations are licensed to extract water from the MWRWS:
  - (i) what is the annual extraction maximum, as volume, allowed for each organisation referred to at (g);

*Notice Given*                      *Tuesday, 11 August 2020*

- (h) in the event that there is zero extraction from Harding Dam in any given year, then what is the maximum amount that The Water Corporation is permitted to extract from the MWRWS that year;
- (i) what is the long-term reliable annual allocation for the MWRWS:
  - (i) who, or what entity, determines this allocation; and
  - (ii) is this allocation limit binding:
    - (A) if yes to (i)(ii), in what sense is it binding;
- (j) in what circumstances can water extraction licence holders exceed the long-term reliable allocation for the MWRWS;
- (k) what circumstances are insufficient or inappropriate to allow the licence holder to exceed the long-term reliable allocation for the MWRWS;
- (l) what are the implications of the licence holder(s) exceeding the long-term reliable allocation for the MWRWS:
  - (i) for licence holders; and
  - (ii) groundwater-dependent vegetation;
- (m) which Department is responsible for monitoring the health of groundwater-dependent vegetation within the MWRWS;
- (n) will the Minister please table any studies conducted by Government, in relation to the health of groundwater-dependent vegetation, within the MWRWS, over the last ten years;
- (o) in a general sense, will the Minister advise on the current health of groundwater-dependent vegetation within the MWRWS;
- (p) in relation to Chindewarriner Pool:
  - (i) which organisation is responsible for monitoring salinity levels;
  - (ii) at what intervals is monitoring conducted; and
  - (iii) would the Minister please table all data relating to the salinity of the pool, for each monitoring instance, since 1 January 2000; and
- (q) in relation to salinity in the MWRWS:
  - (i) which bores are monitored to assess salinity levels;
  - (ii) will the Minister please table, for each monitoring instance since 1 January 2000, the combined average Total Dissolved Solids (TDS); and
  - (iii) does the State have a maximum for combined average TDS and, if yes:
    - (A) what is this maximum; and
    - (B) what are the implications of the combined average TDS exceeding this maximum?

**3038. Hon Robin Chapple to the Minister for Regional Development representing the Minister for Water**

I refer to the Bungaroo Coastal Water Supply Borefield (BCWSB), and I ask:

- (a) can the State purchase water from the BCWSB that is surplus to the needs of the operator:
  - (i) if yes to (a), under what type of agreement are these arrangements governed;
- (b) which entities are licenced to extract water from the BCWSB;
- (c) what is the maximum annual volume that each entity, given at (b), is licenced to extract from the BCWSB;
- (d) under the terms of its annual extraction licence, does each BCWSB licence-holder pay a fixed annual licence fee:
  - (i) if yes to (d), what amount (in AUD), per those entities given in (b);
- (e) under the terms of its annual extraction licence, does each BCWSB licence-holder pay a variable fee; calculated according to volume extracted from the BCWSB:
  - (i) if yes to (e), what is the variable rate of that fee, per mega-litre taken, for each licence-holder given at (b);
- (f) if no to both (d) and (e), will the Minister please explain how licence holders are billed, and on what criteria;
- (g) how many monitoring bores are contained within the BCWSB:
  - (i) will the Minister please give the location of those bores referred to at (g);
- (h) will the Minister please table the Mean Aquifer Level (MAL) in the BCWSB for each recording interval, since 1 January 2000;
- (i) what is the minimum MAL, below which the BCWSB should not fall;
- (j) who sets that minimum referred to at (i);
- (k) is this minimum MAL, referred to at (i), binding:
  - (i) if yes to (k), will the Minister please explain in what sense it is binding;
- (l) which entity is responsible for monitoring the MAL in the BCWSB;
- (m) what are the implications of the MAL in the BCWSB falling below the minimum prescribed levels for:
  - (i) licence-holders; and
  - (ii) the environment;
- (n) has the State purchased surplus water from the BCWSB, at any stage, since its commission:
  - (i) if yes to (m):
    - (A) will the Minister please advise during which years, and at what amounts, the State purchased this water; and
    - (B) what rate per megalitre does the State pay for water from the BCWSB;
- (o) which State regulatory bodies are responsible for monitoring the health of the BCWSB;
- (p) what are the key parameters used by the State to monitor the health of the BCWSB;

## LEGISLATIVE COUNCIL

**Questions Asked Today**

*Notice Given*                      *Tuesday, 11 August 2020*

- (q) does the BCWSB-operator self-report, in relation to the key parameters, used by the State to monitor the health of the BCWSB;
- (r) does the State undertake its own independent studies in relation to the health of the BCWSB:
  - (i) if yes to (r):
    - (A) when, or how often, does this occur; and
    - (B) will the Minister please table any relevant data from this year and the preceding four years; and
  - (ii) if no to (r), why is this the case;
- (s) under the terms of the licence issued by the State in relation to the BCWSB, is the operator required to report decreases in water levels:
  - (i) in the monitoring bores generally;
  - (ii) in the monitoring bores, when a certain level/threshold has been crossed;
  - (iii) in the production bores generally;
  - (iv) in the monitoring bores, when a certain level/threshold has been crossed; and
  - (v) if no to (s)(i)-(s)(iv), under what circumstance is the operator required to report decreases in water levels; and
- (t) if yes to any (s)(i)-(s)(iv), has the State received reports from the BCWSB operator since commission:
  - (i) if yes to (t), will the Minister please:
    - (A) list the numbers of such reports per year; and
    - (B) table any of those documents referred to at (s), wherein the water level in a bore has dropped below acceptable standards?

**3039. Hon Diane Evers to the Minister for Regional Development representing the Minister for Water**

**3041. Hon Robin Chapple to the Minister for Environment**

In relation to pollution reports about premises licensed under Part V of The Environmental Act (1986) in the Perth metropolitan area (Premises), I ask:

- (a) how many Premises were the subject of pollution reports (complaints) made to the Department's Pollution Watch service by the public, in the 12 months preceding 30 June 2020;
- (b) which three Premises were the subject of the most complaints in the 12 months preceding 30 June 2020;
- (c) how many complaints were received in respect of each of these Premises referred to at (b); and
- (d) will the Minister please identify which Premises was the subject of the largest number of complaints for:
  - (i) 1 July 2016 - 30 June 2017;
  - (ii) 1 July 2017 - 30 June 2018;
  - (iii) 1 July 2018 - 30 June 2019; and
  - (iv) 1 July 2019 - 30 June 2020?

**3042. Hon Robin Chapple to the Minister for Environment**

I refer to Cockburn Cement Limited (CCL), their operations, and their dealings with the Department under The Environmental Protection Act (1986), and I ask:

- (a) has CCL applied to the Department to conduct an 'odour neutralisation trial' at its Munster premises:
  - (i) if yes to (a), has this been approved:
    - (A) if yes to (a)(i), when was this approved, and under what conditions; and
    - (B) if no to (a)(i), can the Minister advise on when the Department will make a decision on the proposal;
- (b) does the gas stream from the Kilns contain sulphur dioxide, nitrogen dioxide, hydrogen chloride, carbon dioxide (acid gases) or other toxic gases and particulates;
- (c) does the proposal state that CCL intends to inject a fine water mist into any gas stream at its kilns at the Munster premises:
  - (i) if yes to (c), will the injection of a fine mist of water into the gas stream at the kilns create water-soluble acid species and/or acid rain:
    - (A) will the Minister please provide an explanation or rationale in response to his answer to (c)(i);
    - (B) if yes to (c)(i), what measures does CCL propose to prevent acid-rain-forming species being emitted from the chimney stacks of the Kilns; and
    - (C) if yes to (c)(i), what conditions would the Department impose on the project to mitigate the increased risk of acidification of atmospheric water; and

## LEGISLATIVE COUNCIL

## Questions Asked Today

*Notice Given*                      *Tuesday, 11 August 2020*

- (d) if CCL was permitted to burn only natural gas - in lieu of coal - in their kilns, would the quantity of acidic species, released into the atmosphere, be reduced:
  - (i) if yes to (d), will the Department enforce this condition at this site, given its proximity to residential areas?

**3043. Hon Robin Chapple to the Parliamentary Secretary representing the Minister for Health**

I refer to the media statement, available at <https://www.mediastatements.wa.gov.au/Pages/McGowan/2020/07/New-suicide-prevention-projects-to-help-reduce-risk.aspx>, concerning Aboriginal suicide prevention in Western Australia, and the Aboriginal and Torres Strait Islander Suicide Prevention Evaluation Project (ATSISPEP), and I ask:

- (a) what tools or programmes have been demonstrated to be valid (or culturally appropriate) for use with Aboriginal people:
  - (i) would the Minister please table any data relevant to (a), including outcome evidence of their appropriateness;
- (b) of those discussed at (a), which data collection/monitoring tools, and protocols, will the Government be using to ensure that programs are actually reducing suicide risk:
  - (i) if the Government chooses a programme not listed in (a), how is the Government sure of its efficacy;
- (c) noting the media release states the funding is for ‘targeted programs’, have the Government been able to identify programs that have demonstrated the ability to target known suicide risk factors and reduce risk factors:
  - (i) how was this ability to target known suicide risks demonstrated to Government;
  - (ii) how was this ability to reduce risk demonstrated to Government;
  - (iii) what outcome data is the Government currently gathering to demonstrate programs are preventing suicide; and
  - (iv) given the large amount of funding, how is the Government ensuring accountability;
- (d) could the Minister please confirm how many members of the Government’s advisory board are associated with ATSISPEP;
- (e) could the Minister please advise on the amount of funding received by this programme (i.e. the ATSISPEP), per financial year, since 2014-15 FY (inclusive);
- (f) from the 2014-15 FY, how has the Government monitored the performance of the ATSISPEP regarding Aboriginal suicide prevention:
  - (i) would the Minister please table the review(s) and evaluation(s) of the ATSISPEP for the same time-frame;
- (g) in the context of Indigenous suicide prevention, with what external or additional expertise is the Government engaging;
- (h) is there a separation of ‘expert advisers’ and those that are receiving the funding:
  - (i) could the Minister please offer a rationale to his answer to (h);
- (i) could the Minister please explain the roles and responsibilities, at the community level, for indigenous communities working towards suicide prevention:

## LEGISLATIVE COUNCIL

**Questions Asked Today**

**Notice Given**                      **Tuesday, 11 August 2020**

- (i) how has the Government determined that the roles/responsibilities, referred to at (i), are economically and logistically-achievable by those communities;
- (j) can the Minister please explain what the Government is doing to ensure that there is workforce capacity capable of delivering suicide prevention programs in Indigenous communities:
  - (i) in terms of labour/employment; and
  - (ii) in terms of the skills within that labour-force;
- (k) would the Minister please provide a rationale for the allocation of funding between different aspects or locations of this programme;
- (l) would the Minister please table a breakdown of the funding or provide estimates to this end;
- (m) is the Minister aware that there is only one culturally and clinically-validated screening tools for Aboriginal people at risk in Australia: the Westerman Aboriginal Symptom Checklist (WASC) (Y- youth, or A- adult):
  - (i) if no to (m), may I request the Minister avails himself with a briefing on the WASC-Y/A; and
  - (ii) can the Minister please provide reasoning on why the Government, having overlooked existing clinically-validated programmes, chose to invent their own programme without any medical or cultural review, validation or accountability; and
- (n) can the Minister please explain the way in which the overall suicide prevention programme aligns or interacts with the existing 'Close The Gap' campaign and its targets?

**3044. Hon Colin Tincknell to the Minister for Environment representing the Minister for Transport**

- (1) I refer to the Minister's joint Media Statement with the Premier dated Sunday, 21 June 2020. The media release states that the new Metronet stations are expected to have the following number of daily boardings by 2031 and will be outfitted with the following number of parking bays. I have provided the ratio of parking bays per boarding this equates to.

**METRONET Station**

Est. Passenger Boardings by 2031

Number of Parking Bays

Ratio of people to available parking bays

Ellenbrook Station is expecting to have 8,016 passengers boarding daily by 2031, with 500 Parking Bays available. This equates to a ratio of 16.0 passengers : 1 parking bay

Whiteman Park Station is expecting to have 3,795 passengers boarding daily by 2031, with 900 Parking Bays available. This equates to a ratio of 4.2 : 1

Malaga Station is expecting to have 3,084 passengers boarding daily by 2031, with 1,100 Parking Bays available. This equates to a ratio of 2.8 : 1

Noranda Station is expecting to have 1,810 passengers boarding daily by 2031, with 400 Parking Bays available. This equates to a ratio of 4.5 : 1

## LEGISLATIVE COUNCIL

**Questions Asked Today**

*Notice Given*                      *Tuesday, 11 August 2020*

Morley Station is expecting to have 1,365 passengers boarding daily by 2031, with 400 Parking Bays available. This equates to a ratio of 3.4 : 1 and I ask, why has the Government planned for what will clearly be an insufficient amount of parking for an outlying suburb and end of the line station such as Ellenbrook?

- (2) Can the Minister please tell advise how many parking bays are available to passengers at each of the following stations:
- (a) Bulter;
  - (b) Clarkson;
  - (c) Currambine;
  - (d) Joondalup;
  - (e) Fremantle;
  - (f) Armadale;
  - (g) Thornlie;
  - (h) Midland; and
  - (i) Mandurah?
- (3) Can the Minister please advise how many parking bays are planned for each of the stations on the new Forrestfield line and how many passengers are expected to be boarding daily at each of those stations by 2031?

**3045. Hon Colin Tincknell to the Minister for Environment representing the Minister for Housing**

- (1) Can the Government please provide the following figures:
- (a) the number of dwellings that have been added to the social housing stock in the past three years.;
  - (b) the number of dwellings that have been removed from the social housing stock in the past three years.; and
  - (c) how many dwellings have been planned and funded, but are not yet complete?
- (2) Can the Minister please provide a summary of the reasons for the removal of dwellings from the State housing stock?
- (3) With reference to the Minister's answer to question without notice 638 from 18 June this year, why has the Government stock of social housing dwellings decreased by more than 1,100 during this term of Government?

**3046. Hon Tjorn Sibma to the Minister for Education and Training**

- (1) I refer to the Systems Agreement between the Minister for Education and Training and the Catholic Education Commission of Western Australia (CECWA), and I ask:
- (a) when was the most recent Systems Agreement agreed to, when did it enter into force, and for how long is it intended to operate; and
  - (b) is it still the case that all Catholic schools in Western Australia, with the exception of two schools, operate under this Systems Agreement?
- (2) It is understood that under previous Systems Agreements there was no distinction between the 17 schools known as “order and other accountable schools” and other Catholic schools, and I ask:
- (a) does the current Systems Arrangement maintain this arrangement; and
  - (b) if the current Systems Arrangement now makes such a distinction, how does it do so?

**3047. Hon Robin Chapple to the Minister for Regional Development representing the Minister for Water**

I refer to Question On Notice No. 2375, asked in the Legislative Council on 13 August 2019, by Hon Robin Chapple, in response to a question about the connectivity between Snake Creek, reduced water levels in adjacent pools, and the deaths of sawfish - wherein the Minister’s response: “Current information indicates that the pools are not linked in the dry season when irrigation occurs. However, the Department of Water and Environmental Regulation is undertaking a detailed assessment of the surface water linkages between these sites as part of its triennial review of ecological monitoring data under the current water licence. This work will be peer reviewed by suitably qualified experts and will confirm whether or not there is any linkage between the sites.” and I ask:

- (a) has the Department finalised its detailed assessment of the surface water linkages between these sites as part of its triennial review of ecological monitoring data under the current water licence:
  - (i) if no to (a):
    - (A) why not; and
    - (B) when will this be completed; and
  - (ii) if yes to (a), will the Minister please table the assessment:
    - (A) if no to (a)(ii), why not; and
- (b) if yes to (a), has the assessment been peer-reviewed by a suitable, qualified, external authority:
  - (i) if yes to (b), will the Minister please table this review of the assessment:
    - (A) if no to (b)(i), why not; and
  - (ii) if no to (b):
    - (A) why has the assessment not been subjected to external review; and
    - (B) when will this review be completed?

**3048. Hon Robin Chapple to the Minister for Environment**

I refer to the 12 month dust monitoring campaign in Newman, as referred to on the Shire's website (<http://www.eastpilbara.wa.gov.au/About-Us/News-and-announcements/First-Shire-in-WA-to-Monitor-Dust>), and execution of this campaign by Government, and I make reference also to the BHP publication Pilbara News (<https://www.bhp.com/-/media/publishing-author-media/bhp-pilbara-newsletter-issue-2-web.pdf>), and I ask:

- (a) can the Minister confirm “the ambient air in Newman and monitoring [was] undertaken for a period of 12 months by the Shire’s environmental health staff trained by the DWER”, as per the Shires’s website:
  - (i) if no to (a), could the Minister explain how the events have deviated from those stated at (a);
- (b) has the monitoring campaign concluded:
  - (i) if yes to (b), when did this occur; and
  - (ii) if no to (b):
    - (A) why not; and
    - (B) when is it expected to conclude;
- (c) has a report, using the data yielded by the monitoring programme, been compiled and finalised:
  - (i) if yes to (c):
    - (A) can the Minister please table the report; and
    - (B) which entity compiled the report;
  - (ii) if no to (c):
    - (A) why not; and
    - (B) when will this be completed; and
  - (iii) can the Minister confirm that both the raw data and the report are publicly available;
- (d) in relation to the monitoring programme, and subsequent report, what were the roles and responsibilities of:
  - (i) the Department of Water and Environmental Regulations (DWER);
