Questions listed for this sitting: -

325. Ms M.J. Davies to the Treasurer:

I refer to the Economic Regulation Authority (ERA) and its role in issuing licences for water utility provisions, which included the licence renewal WL32 for Water Corporation on 30 March 2021, and I ask:

- (a) On what dates were advertisements for the licence renewal made and for each type of advertisement what media was used, noting the name of the media publisher;
- (b) Is it correct that the 25th anniversary of the licence would have been 28 June 2021:
 - (i) If yes, was it necessary to confirm the renewal of WL32 three months prior to the licence change or could the consultation process have occurred after the election;
- (c) When did the ERA open public comment for the proposal to renew Water Corporation's licence:
 - (i) Why was the public advertising period only for approximately three weeks, given the proposal for a licence renewal of one of our most important utility services;
- (d) Were any concerns raised internally at the ERA about:
 - (i) The timing of the licence renewal being in a caretaker period close to the State election;
 - (ii) The lack of submissions from potential utility providers;
 - (iii) The lack of submissions from Government Trading Entities, Departments or Agencies;
 - (iv) The lack of submissions from the public about Water Corporation's ability to operate the licence;
 - (v) The manner through which Water Corporation calculates charges and processes payments;
 - (vi) The range of costs for water services across the state; and
 - (vii) The 25 year length of the new licence;
- (e) For (d)(i-vii), were these issues considered by the ERA and if yes, please detail the outcome of those considerations;
- (f) Considering that the ERA must have regard to "environment considerations, including the value ecologically sustainable development";
- (g) When was the Minister for Water notified of the renewal of Water Corporation's licence;

- (h) Were there any variations made to the licence as part of the renewal process;
- (i) Were there any issues identified during the licence renewal process? If yes, what were they and will they be rectified for future licencing processes; and
- (j) Were the findings and recommendations of the report by Crowe. Water Corporation 2020 Operational Audit: Report to the Economic Regulation Authority Western Australia considered by the ERA when investigating the licence renewal:
 - (i) If no, why were these findings and recommendations not considered for the licence renewal?

326. Ms M.J. Davies to the Minister for Health:

- (1) Can the Minister please provide the current wait list period (in months) for children aged under 6 for the following services, broken down into WA Country Health Service (WACHS) sub regions:

- (5) What are the “did not attend” rates for the 2021-22 financial year, for children under the age of 18, for medical and allied health appointments in the following health service provider regions or sub regions:
 - (a) East Metropolitan Health Service;
 - (b) North Metropolitan Health Service;
 - (c) South Metropolitan Health Service, including services in the Peel region which are captured by the area for the South Metropolitan Health Service;
 - (d) CAHS; and
 - (e) WACHS:
 - (i) South West;

- (ii) Wheatbelt;
 - (iii) Great Southern;
 - (iv) Goldfields;
 - (v) Midwest;
 - (vi) Pilbara; and
 - (vii) Kimberley?
- (6) For children under the age of 18, what initiatives does the government have in place to reduce the waitlists, did not attend rates, and to increase the staffing levels in rural, regional, and remote locations?
- (7) Are any interstate or international service models being considered for adoption or trial within WACHS sub regions, whether by WACHS or by CAHS? If yes, please detail:
- (a) The name of the service model;
 - (b) The service provider sub region where the service model is being applied;
 - (c) The age cohort targeted;
 - (d) Stage of adoption or trial for the service model;
 - (e) If any trial sites have been chosen and the locations for each service model; and
