**NON-GOVERNMENT BUSINESS**

---

**1. Aboriginal Cultural Heritage Act 2021**

Hon Dr Steve Thomas to move —

That the Legislative Council acknowledges the Cook Government's backflip on its *Aboriginal Cultural Heritage Act 2021* and the associated regulations over the weekend, and as a result notes that —

- (a) the legitimate concerns of the landholders and the community were ignored by the Government for months;
- (b) the outcome was the result of the Government arrogantly rushing flawed legislation through the Parliament in contempt of due process;
- (c) the Government arrogantly ignored Opposition requests to seek further examination and consultation and to delay the implementation of the Act and the regulations when it became obvious they were unworkable;
- (d) the Government's disastrous process has caused enormous damage to future heritage discussions and the relationship between Aboriginal and Non-Aboriginal Western Australians; and
- (e) the Government's incompetence on this issue has undermined their own public support for the Voice referendum.

**PRIVATE MEMBERS' BUSINESS**

---

**1. Cybercrime, scams and identity theft**

Hon Kate Doust to move —

That the Legislative Council acknowledges the complexity in dealing with cybercrime, scams and identity theft and —

- (a) that as scams become more sophisticated, more Western Australians are falling victim to them, resulting in larger losses;
- (b) the importance of fostering awareness and resilience in the fight against cybercrimes, scams and identity theft; and
- (c) that combating cybercrime, scams and identity theft requires cross-party support at all levels of Government.
