That the Legislative Council calls on the Government to acknowledge and fix the ambulance ramping crisis afflicting our health system.

Point of Order

I refer to Standing Order 45. Hon Martin Aldridge is suggesting rather unsubtly that the Members of the Committee, specifically Hon Pierre Yang and Hon Darren West, are not diligent in their duty and are not doing what is best in their role as Members of the Committee and Members of Parliament. It says here all personal reflections on any Member of either House are disorderly other than by substantive motion. I ask Hon Martin Aldridge to withdraw his comments.

President's Ruling

The President ruled as follows —

I have considered the matter and, at this stage, there is no point of order because the Member is not impugning improper motives

Debate resumed.
