MOTIONS

1. Appropriate Resourcing for Western Australian Not-for-Profit Sector
(Notice given 3 December 2008)

Continuation of remarks Hon Ljiljanna Ravlich - mins 44 (Wednesday, 12 August 2009) on the amendment of the Minister for Child Protection as follows -

To delete all words after “notes the” and insert —

“ impact that the Global Financial Crisis is having upon the community, and notes the Government’s continued work towards providing appropriate resources to the not-for-profit sector. ”,

to the motion of Hon Sue Ellery as follows -

That this House notes the changing demands for assistance on the Western Australian not-for-profit sector and calls on the Barnett Government to ensure the sector has appropriate resources and capacity to meet demand.

2. Child Death Review Committee - Recommendations (Notice given 3 December 2008)

Hon Sue Ellery: To move -

That this House notes the recommendations of the *Group Analysis of Aboriginal Child Death Review Cases in which Chronic Neglect is Present* report of the Child Death Review Committee and calls on the Minister for Child Protection to provide quarterly reports to the House on the implementation of those recommendations.

3. Kimberley Liquefied Natural Gas Precinct (Notice given 18 March 2009)

Hon Jon Ford: To move -

- (1) That this House expresses its concern at the comments made by the Premier to the Committee for Economic Development Australia Conference on Tuesday, 3 March 2009 in which he referred to a proposed LNG precinct to the north of Broome and stated -

“...we are proceeding in developing an LNG precinct to the north of Broome. That's not the spectacular part of the Kimberley coast, it's flat tableland, no people living within probably 30 or 40 kilometres of the area.That's important, we're trying to do that by negotiation, the timetable is the end of this month. If we can't do it by negotiation, the State will resume the land. I'll do that reluctantly, but we will do it. We will not hold up economic development and we will not deny the people of the Kimberley – and particularly the Aboriginal people – the opportunity from some economic independence and some economic security.”

The business listed for today’s sitting and sequence in which it is to be considered may be altered by the House without notice. Members and other persons are advised to check the status of an item in which they have an interest in the course of today’s sitting. Electronic version available on the Parliament’s Internet site at www.parliament.wa.gov.au.

- (2) This House calls on the Premier to -
- (a) explain how he can claim to be negotiating in good faith when he put on public record that if he doesn't get a negotiated outcome he will resume the land to develop an LNG precinct to the north of Broome; and
 - (b) explain why he is presenting a veiled threat to indigenous people in respect of this matter and whether this is a sign of things to come.
