5427. Mr R.S. Love to the Minister representing the Minister for Education and Training:

In the case of a secondary student enrolled at a school who studies a subject delivered via the School of Isolated and Distance Education (SIDE), I ask:

- (a) What portion of the funding allocated under the Student Centred Funding Model to the school the student physically attends, is lost to the school; and
- (b) If a student's entire subject delivery was through SIDE, would there be any funding allocation for the school which the student is physically attending?

5428. Mr D.T. Redman to the Premier; Minister for Public Sector Management; State Development, Jobs and Trade; Federal-State Relations:

I refer to recently announced public service job data in The Australian newspaper, and ask:

- (a) Of the total percentage of job growth in Western Australia in the previous twelve months, can the Premier provide statistics on how many new jobs have been created in the private and government sectors;
- (b) What is the total cost of jobs created within the public sector to taxpayers since it came into Government;
- (c) What additional services and efficiencies have the new positions created; and
- (d) Can the Premier provide information on how many positions have been created in each Government agency/department?
