1. Support for Western Australian Farmers

Hon Dr Steve Thomas: To move —

That this House:

- (a) notes the prospective record grain crop in Western Australia this season despite the Minister for Agriculture's suggestion that yield should be sacrificed for tree planting;
- (b) notes how hard our farmers are working to bring in this crop despite the Government's failure to reach agreement on quarantine facilities at Bladin Village in the Northern Territory;
- (c) notes the Minister for Agriculture has again proposed her solution to labour shortages that farmers simply pay staff more; and
- (d) notes the shortfall in regional investment and support hindering the agricultural, forestry and regional development sectors, partly due to the substitution of the Royalties for Regions fund back into the consolidated account.
