Point of Order

Hon Sue Ellery raised the following Point of Order -

Mr President, you have just ruled—although I note that the Minister did not have an answer anyway—that part (5) of the question asked by Hon Kate Doust was out of order. I wonder whether you might give us the reasons for that ruling. You do not have the question in front of you, Mr President, so I will repeat it for you. The question was —

(5) Is the Minister —

That is, the Minister for Heritage —

a personal friend of the owner of the hotel?

President's Ruling

The President ruled as follows -

I ruled it out of order because it does not relate specifically to the portfolio. If the question had been phrased in such a way that it asked whether the Minister had had any direct dealings with that other person, that would be a different matter.

The Minister for Mines and Petroleum tabled an answer in relation to a Warden's Court proceeding involving KCGM, Madigan, Guest, Westcombe and/or Optimum and Steven Kean, in response to question on notice No. 3839 asked by Hon Robin Chapple. (Tabled paper 3388).

(Tabled paper 3390).

The Minister for Energy tabled a document in relation to the average residential electricity bill amounts issued by Horizon Power for Pegs Creek, Nickol, Bulgarra, Cooke Point and South Headland, from September 2010 to February 2011, in response to question on notice No. 3836 asked by Hon Kate Doust.
