MOTIONS ON NOTICE

1. Household Fees and Charges (*Notice given 17 November 2010, amended 21 September 2011*)

Continuation of remarks Minister for Child Protection - 36 mins (Wednesday, 21 September 2011) on the motion of Hon Ken Travers as follows -

That this House condemns the Barnett/Grylls Government for the savage increases in household fees and charges and the abolition of assistance payments to families such as the \$400 "It pays to learn allowance" which has resulted in families being up to \$1 700 worse off.

We note that the savage 57 percent increase in electricity and 46 percent increase in water charges over two years has resulted in an increase in the dividends the State Government is receiving from the power and water utilities.

We say enough is enough and call on the Barnett/Grylls Government to keep future increases to below the rate of inflation.

Total time remaining on motion - 3hrs 6mins.

2. Climate Change Adaptation and Mitigation Strategy (*Notice given 17 November 2010*)

Hon Sally Talbot: To move -

That this House condemns the Government for entering its third year of office without the Climate Change Adaptation and Mitigation Strategy promised by the Liberals before the 2008 election.

3. Marine Park Planning (*Notice given 18 November 2010*)

Hon Sally Talbot: To move -

That this House condemns the Government for taking an old-fashioned, piecemeal and politically-driven approach to Marine Park planning in Western Australia.
