NON-GOVERNMENT BUSINESS

1. Release of Terrorist and Murderer Umar Patek

Hon Sophia Moermond to move —

That this House condemns the Indonesian Government in the strongest possible terms for the possible impending release of terrorist and murderer Umar Patek (Hisyam bin Ali Zein), the maker of the Bali bomb that killed 202 people, including 88 Australians, 16 of whom were from Western Australia.

2. Decriminalisation of Cannabis

Hon Sophia Moermond to move —

That this House notes that Western Australia has been waging an illegitimate war on cannabis that has cost the State billions of dollars, wrecked thousands of people's lives and contributed to burgeoning profits in what is a thriving criminal market, and —

- (a) recognises that over the past two years there has been growing acceptance by Australians that cannabis should be legalised;
- (b) calls on the McGowan Labor Government to immediately move to legalise cannabis for adult recreational use; and
- (c) urges the Western Australian Health Minister to work with her colleagues in the Australian Capital Territory to examine the success of the decriminalisation of cannabis in that jurisdiction, as well as examine the Barr Labor Government's current plans to decriminalise all illegal drugs, thus treating drug use as a health issue not a criminal one.

PRIVATE MEMBERS' BUSINESS

1. Record Mental Health Funding

Hon Klara Andric to move —

That this House commends the McGowan Labor Government for its commitment to delivering record mental health funding, particularly for children and young people.
