- (3) Reminds the Premier that the funding of the Bell Group litigation was derived from a WA Inc levy imposed on motorists.

- (4) Calls on the Premier to —

That this House —

- (1) Thanks the Commissioner for Children and Young People for his *Independent Review into the Department of Communities' policies and practices in the placement of children with harmful sexual behaviours in residential care settings*.

- (b) renumbering the remaining items accordingly.

4. Elder Abuse (*Notice given 15 February 2022*)

Hon Nick Goiran: To move —

That this House —

- (a) reminds the McGowan Labor Government that its January 2017 election manifesto on responding to elder abuse promised that it would “expedite” amendments to the law surrounding enduring powers of attorney and guardianship;
- (b) notes that on 13 September 2017 the Legislative Council established, on the motion of the Opposition, the Select Committee into Elder Abuse;

5. COVID-19 in 2022 (*Notice given 24 February 2022*)

Hon Dr Steve Thomas: To move —

That this House:

- (a) notes this State’s lack of preparedness for the inevitable outbreak of COVID-19 in 2022 and the spread of the Omicron strain;
- (b) notes the constant changing of the State’s COVID rules by the State Government, and that the lack of consistency is damaging to the business community in particular;
- (c) notes the lack of openness and accountability of the Government in making these changes, including not making the information used to make the decisions and thresholds and trigger points freely available;
- (d) notes that this arrogant willingness to keep the community in the dark is unnecessary and unjustified, as the vast majority of the community is mature enough to assess the situation rationally; and
- (e) calls on the McGowan Government to stop treating the Western Australian community with contempt, and provide them with consistent, clear and manageable rules for COVID and release all supporting data and information used to justify them and all thresholds for future actions.

6. Government Budget Surpluses *(Notice given 23 March 2022)*

Hon Dr Steve Thomas: To move —

That this House —

(1) Notes that —

- (a) the McGowan Government's prediction of \$15 billion in surpluses over five years looks to be an underestimate given the high iron ore price and high oil price;
- (b) the McGowan Government has also reaped in hundreds of millions of dollars extra in local fees, charges and taxes, which has given it the highest revenues and largest budget surpluses in the history of Western Australia; and
- (c) despite this record income the McGowan Government has failed to adequately deliver services to the people and businesses of this State, and that many of their Ministers have failed in their tasks.

(2) Calls on the McGowan Government to use the massive wealth in the upcoming 2022-23 State Budget to improve its performance, and to deliver a real vision for the future of all the people of Western Australia, including those in the regions.

7. Homelessness in Western Australia *(Notice given 11 May 2022)*

Hon Sophia Moermond: To move —

That this House recognises that homelessness in Western Australia has reached alarming levels with around nine thousand people considered homeless on any given night of the week, and the McGowan Labor Government must do more to tackle the problem by —

- (a) urgently having independent analysis done on the changing scale and nature of homelessness across Western Australia taking into account the many social, economic and policy factors that impact on homelessness;
- (b) identifying policies and practices from all levels of government that have a bearing on delivering services to the homeless; and
- (c) drastically increasing financial aid to those organisations that work with the homeless so as they can expand their operations to help more Western Australian citizens.

8. Cost of Living *(Notice given 12 May 2022)*

Hon Sophia Moermond: To move —

That this House acknowledges the incredible rise in the cost of living that has become a burden on everyday Australians, with rising fuel and grocery prices, record inflation, and an increase in transport and business costs and —

- (a) urges the McGowan Labor Government to consider all economic levers at its disposal to further ease cost of living pressures in Western Australia; and
- (b) also urges the Premier, in his role as Treasurer, to set up an investigation by his department to consider how a Universal Basic Income for all Western Australian residents could ensure that citizens are keeping up with everyday cost of living pressures and that no one in our State is living under the poverty line.

9. Greyhound Racing (*Notice given 17 May 2022*)

Hon Sophia Moermond: To move —

That this House —

- (a) notes that the greyhound racing industry in Western Australia is a cruelty fuelled, so-called “sport”, that is designed to profit off the immense suffering and pain of racing greyhounds;
- (b) further notes that the wellbeing, safety, and welfare of greyhounds is *not* the number one priority of Greyhounds WA, instead it is only after corporate profits and government support to enrich themselves; and
- (c) calls on the government to immediately ban the archaic blood sport that is greyhound racing for good.

13. Underperformance of McGowan Government Ministers (*Notice given 17 August 2022*)

Hon Dr Steve Thomas: To move —

That this House notes the underperformance of a number of McGowan Government ministers, resulting in the loss of community and industry confidence across a range of sectors, and calls on the Premier to remove the worst Cabinet performers from their portfolios immediately rather than allowing them to warm their ministerial seat for months or years to come.
