NON-GOVERNMENT BUSINESS

1. Government Infrastructure and Asset Investment

Hon Dr Steve Thomas to move —

That this House notes the McGowan Government's mismanagement of its infrastructure and asset investment program despite being gifted the largest budget surpluses in the history of any State Government in our Nation's history as a result of the recent iron ore boom, including —

- (a) the Government's inability to deliver MetroNet on time and on budget;
- (b) the Government's inability to deliver other transport infrastructure;
- (c) the Government's inability to deliver health infrastructure, including long promised election commitments; and
- (d) the Government's inability to deliver other projects, especially in regional Western Australia.

PRIVATE MEMBERS' BUSINESS

1. TAFE and Training

Hon Stephen Pratt to move —

That the Legislative Council —

- (a) acknowledges the important role TAFE and training plays in Western Australia to encourage employment and create a skilled workforce; and
- (b) notes that the McGowan Government's significant investment in training, including the reduction of fees for 210 courses by up to 72 percent, the largest TAFE capital works program in the State's history and support for employers has resulted in a record highest ever enrolments.
