

## LEGISLATIVE COUNCIL

**WEDNESDAY, 16 MARCH 2022**

**1.00pm**

### 1. Meeting of Council

The Council assembled at 1.00pm pursuant to order.

The President, Hon Alanna Clohesy, took the Chair.

Prayers and an Acknowledgement of Country were read.

### 2. Statement by President — Non-Government Business and Private Members' Business — Giving the Call

The President made the following Statement —

In recent weeks there has been some confusion expressed by Members concerning the giving of the call to speak during Non-Government and Private Member's Business.

Firstly, Standing Order 35 deals with Members seeking the call and indicates that a Member who wishes to speak will stand and seek the call. Further, that when two or more Members stand to seek the call, it is the President (or Acting Presidents) who will determine which Member shall speak.

The first Member that rises and seeks the call will generally be given the call unless, noting the stage at which the debate is at, it is more appropriate to give the call to either the responsible Minister, the Leader of the Opposition, or the Member who has initiated the business for a reply.

The Thursday morning debates are relatively short debates, and it is unfortunately not possible for every Member that wants to speak to get the opportunity to contribute to them.

Non-Government Business was initiated in order to provide Members who do not support the government (as identified in Standing Order 111) the opportunity to initiate and contribute to debate.

Private Members' Business was initiated to provide balance to Non-Government Business. Standing Order 112 recognises that a Private Member is a Member that supports the Government (but who is not a Minister or Parliamentary Secretary).

Participation in the debate itself is not limited solely to other Non-Government Members or Government backbenchers, as the case may be. The aim is to have an interesting debate that canvasses a number of viewpoints, and the views of the Opposition, cross-bench and the relevant Minister will be pertinent.

Notwithstanding these considerations, the Acting Presidents and I are keenly aware of the limited speaking opportunities available and so will always strive over the course of each Non-Government and Private Members' Business session to ensure that a majority of the

speakers actually do come from the Non-Government parties or the Government backbench, as the case may be.

This differs however in other debates. I note that it has been a long-standing courtesy of the House that during a debate on a motion or in Committee of the Whole that the Presiding Officer will generally alternate giving the call between Members on either side of the Chamber where Members from both sides are seeking the call.
