MOTIONS

56. Broadband Internet - Use of Future Fund (*Notice given 27 March 2007*)

Continuation of remarks Hon Brian Ellis - mins 33 (Thursday, 29 November 2007) on the motion of Hon Vincent Catania as follows -

That this House urges the Federal Government to support the use of the Future Fund in order to provide the necessary public investment in broadband internet access throughout Australia.

In particular, this House urges the Federal Government to acknowledge that -

- (a) the urban broadband network is inadequate to meet current or future demands;
- (b) Western Australia's mining companies, pastoralists, farmers and communities function in regions that are as remote from administrative centres as any in the world;
- (c) Tele-health capacity would enable quality health services to be delivered via a broadband network to areas where such services are currently impossible; and
- (d) the use of the Future Fund to enable public investment in the national broadband network is a valid and essential means of achieving the aims of the Fund by investing in Australia's future in commerce, education and health.

57. Aboriginal Child Health Survey (*Notice given 3 April 2007*)

Hon Barbara Scott: To move -

That this House -

- (1) Urges the State Government to take seriously the Western Australian Aboriginal Child Health Survey - Strengthening the Capacity of Aboriginal Children, Families and Communities (Volume 4);
- (2) Set some realistic and achievable time frames for the implementation of the recommended actions;
- (3) Establish an inter-government agency approach to prioritising the recommended actions; and
- (4) Ensure programs build capability in families and communities with Aboriginal and Torres Strait Islander children.
