- (b) when did this particular standard come into effect;
- (c) will the Minister table the regulation and any other details that explains the water supply standard that has been applied to this land development; and
- (d) specifically, was this standard in place prior to the LandCorp putting these lots onto the market?

1883. Mr T.G. Stephens to the Minister for Water

- (1) What water supply standard is applicable, in terms of water capacity in the water utility main, for land that is zoned or used for schools and pre-schools and day care facilities across Western Australia?
- (2) What water supply is available to the new Newman day care facility provided to the local community by BHP Billiton and operated by the YMCA?
- (3) Does this water supply capacity meet the basic safety standard for a large day care facility of this sort?

1884. Mr T.G. Stephens to the Minister for Lands

What steps will the Minister take to ensure that land is available to meet the needs of the business community of Tom Price for 'light industry' blocks?

1885. Mr T.G. Stephens to the Parliamentary Secretary representing the Minister for Transport

- (1) Is the Minister aware of the urgent need of the Warralong Community 175kms east of Port Hedland for a transport link to secure access to their regional centre in Port Hedland so that they can access essential health and medical services, as well as for the purchasing of essential food supplies for the families living in this community?
- (2) Is there any capacity within any of the programs of the Minister's portfolio departments or agencies to assist this large community, with a regular bus service to their major regional centre in Port Hedland?
- (3) What steps can the Department of Lands take to ensure that urgent and favourable consideration is given to responding to the pressing transport needs of this community for a regular bus service?
