## MOTIONS ON NOTICE

---

### 1. **Public Sector Expenditure - New Government Agencies** (*Notice given 18 March 2009*)

Resumption of debate adjourned (Wednesday, 23 June 2010), on the motion of Hon Ljiljanna Ravlich as follows -

- (1) That this House condemns the Premier as Minister for Public Sector Management for wasting taxpayers' money in creating new government agencies, boards, committees and taskforces, at the same time as asking agencies to find savings of three percent resulting in the cuts to front-line services in health, education and law and order.
- (2) That this House calls on the Premier to explain why a three percent savings target is not a "big ask" for government agencies, as he stated to the recent Committee for Economic Development Australia conference, given that the 2009-2010 mid-year review projected no savings and an expense growth of 13%.

*Total time remaining on motion - 2:37:00.*

### 2. **Ministerial Offices - Staffing** (*Notice given 18 March 2009*)

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier and his Ministers for breaking the Premier's promise on the staffing cap in ministerial offices and calls on the Premier to explain how he can expect government agencies to cap their staff numbers while at the same time he condones the growth in staff numbers in ministerial offices, and calls on the Premier to -

- (a) reaffirm his commitment to the promise he made during the election campaign to cap the number of staff in ministerial offices at 150 full time equivalent; and
- (b) explain why he is amongst the worst offenders with his current staffing level of 17 employees and a driver rather than the 8.8 FTEs that he is entitled to under his own election promise.

### 3. **Small Business Development Corporation** (*Notice given 19 March 2009*)

Hon Ljiljanna Ravlich: To move -

- (1) That this House calls on the Minister for Commerce and the Minister for Regional Development to make public their positions on the future of the Small Business Development Corporation (SBDC), in light of the uncertainty in the small business community and given the Chamber of Commerce and Industry's position as outlined in their 2009/10 pre-budget submission to Government which states that -

"The Chamber of Commerce and Industry (CCI) believes that there are significant opportunities for the core functions of the SBDC to be absorbed by other agencies."

The business listed for today's sitting and sequence in which it is to be considered may be altered by the House without notice. Members and other persons are advised to check the status of an item in which they have an interest in the course of today's sitting. Electronic version available on the Parliament's Internet site at [www.parliament.wa.gov.au](http://www.parliament.wa.gov.au).

- (2) That this House calls on the Minister for Commerce and the Minister for Regional Development to -
- (a) allay the concern of the small business sector and guarantee that the SBDC will not be privatised in full or part or carved up and its functions distributed to other agencies as part of the Government's three per cent efficiency dividend; and
  - (b) confirm that the future of the small business centres around the state is assured and that they will not be privatised in full or part or carved up and their functions distributed to other agencies as part of the Government's three per cent efficiency dividend.
