Notice given *Thursday, September 19 2002*

148. Hon Giz Watson to the Minister for Housing and Works representing the Minister for the Environment and Heritage

I note the recent ban on the use of car advertisements depicting speeding and dangerous driving behaviour. With regard to the advertising of four-wheel drive vehicles, I ask the Minister -

- (1) Does the Minister acknowledge the damage to the environment caused by irresponsible driving of four-wheel drive vehicles?
- (2) Will the Minister move to ban advertising that depicts four-wheel drive vehicles damaging the environment?
- (3) If not, why not?

149. Hon Dee Margetts to the Minister for Housing and Works representing the Minister for the Environment and Heritage

With regard to the previous question without notice No. 93 dated August 21 2002 and question on notice No. 670 asked on May 22 2002 regarding the application for an licence to take surface water from a tributary of the Hough Brook in the Ferguson Valley -

- (1) Would the Minister advise whether testing has been carried out on water in the tributary of the Hough Brook to establish base line data?
- (2) If so, what were the results?
- (3) If yes to (1), was testing carried out at the same time that the water in the dam was tested?
- (4) If testing of the water in the tributary of the Hough Brook has not been done, will it be carried out before any decision is made on the licence and over what period of time would this be done?
- (5) If not, why not?
- (6) Would the Minister advise what the total review of environmental assessment by the Water and Rivers Commission will comprise as referred to in the answer to question without notice No. 93 dated August 21 2002?
