Resumption of debate (Wednesday, November 13 2002, Hon Frank Hough (mins 21))
on motion of Hon Dee Margetts as follows -

That this House notes -

- (1) The recent comments from the Prime Minister and Minister for Foreign Affairs regarding Australia's possible support for US military action in Iraq.
- (2) That these comments were made in the absence of any United Nations resolution or processes.
- (3) The threat to the livelihood of Western Australian agricultural producers and exporters in light of the Prime Minister's indication that any request for Australian assistance would be considered against the "national interest test".

- (4) The statements from Labor Leader Simon Crean that Mr Howard's and Mr Downer's statements are out of step with other international opinion.
