MOTIONS ON NOTICE

55. Teacher Shortage (*Notice given 22 March 2007*)

Continuation of remarks Hon Norman Moore (Thursday, 15 November 2007) on the motion of Hon Peter Collier as follows -

That this House expresses its grave concern at the recent revelation of the Department of Education and Training that there will be a shortage of 3 000 teachers in Western Australia in five years unless some serious action is taken to remedy this significant problem.

56. Broadband Internet - Use of Future Fund (*Notice given 27 March 2007*)

Hon Vincent Catania: To move -

That this House urges the Federal Government to support the use of the Future Fund in order to provide the necessary public investment in broadband internet access throughout Australia.

In particular, this House urges the Federal Government to acknowledge that -

- (a) the urban broadband network is inadequate to meet current or future demands;
- (b) Western Australia's mining companies, pastoralists, farmers and communities function in regions that are as remote from administrative centres as any in the world;
- (c) Tele-health capacity would enable quality health services to be delivered via a broadband network to areas where such services are currently impossible; and
- (d) the use of the Future Fund to enable public investment in the national broadband network is a valid and essential means of achieving the aims of the Fund by investing in Australia's future in commerce, education and health.
