I refer to the Minister's media statement of 19 August 2019 entitled "Health care options to be expanded through GP Urgent Care Clinics", and I ask:

- (a) what is the total cost of the 18 month pilot;
- (b) how much of the cost identified in (a) was not budgeted for in the 2019-20 State Budget;
- (c) what are the locations of the 133 GP practices that will participate in the pilot;
- (d) what is the cost of the advertising program;
- (e) will radiology and pathology services be available within each urgent care clinic or alternatively available in close proximity;
- (f) what is the cost of the University of Western Australia and Curtin University review of the pilot;
- (g) how will participating GP practices be funded for services delivered during the pilot;
- (h) what will be the required operating hours for practices to be funded as an urgent care clinic;
- (i) will urgent care clinic's be available in Geraldton, Pilbara, Albany, Bunbury, Kimberley and Kalgoorlie from 10 September 2019, if not, why not; and
- (j) will the Minister please table the business case for the urgent care clinic pilot?

Answer

- (a) Total costs are anticipated to be \$2 million.
- (b) The total commitment of \$2 million was budgeted for in the 2019-20 State Budget.
- (c) The GP Urgent Care pilot includes member practices covering nearly 70 postcodes. The practices will be in the Perth metropolitan area and Bunbury regional area. Attached is a list of practices effective at the pilot launch on 10 September. See tabled paper no #.
- (d) Please refer to (a).
- (e) Yes.
- (f) No additional cost. Costs are within currently funded work programs.
- (g) The GP Urgent Care initiative is a model based on utilising current capacity within the GP sector and will be funded via their usual billing practice.
- (h) The main hours for GP Urgent Care is 8:00am to 8:00pm with the overall GP Urgent Care network including practices potentially operating across a 7-day spectrum. Individual practice times will vary and the current availability will be shown on the website.
- (i) The GP Urgent Care election commitment is a state-wide initiative. Initially the Perth metropolitan area and Bunbury region will be piloted, with an ongoing evaluation being undertaken as part of the initiative. During this time, additional regional-specific models will be developed and implemented.
- (j) The Urgent Care Clinic (UCC) project is a McGowan Government election commitment. Details relating to the project can be found in the Putting Patients First policy statement. A

significant amount of work and consultation has been undertaken to establish the UCC pilot. This has not been condensed into a stand-alone business case.
