Estimated ESL Receipts^	405.1 M
Variance*	-2.7 M

\*Variance primarily due to carryover mitigation grants to be issued in 2019-20 using 2018-19 ESL receipts (\$3.0M), partially offset by increased local government grants, allocated in 2018-19 to be recovered through 2019-20 ESL collections (\$0.3M)

^ESL receipts published in the 2019-20 Budget Papers is overstated by \$0.9M due to an error in allocating receipts between income sources. The \$0.9M should instead be shown as Direct Brigade Alarm (sale of goods and services) receipts. An adjustment has since been raised to correct this error.
