SECTION 1: OVERVIEW OF AGENCY

Overview

Operational Structure

Enabling Legislation

The Public Education Endowment Trust (the Trust) was created in 1909 under the provisions of the *Public Education Endowment Act 1909* (the Act). The legislated name of the Trust per the Act is “Trustees of Public Education Endowment”.

The Governor of the day vested in the Trust various parcels of land throughout the State to enable the Trustees acting within the provision of the Act to sell or lease land and utilise the proceeds for education purposes.

Responsible Minister

The Trust is independent of direction or control by the State or any Minister or officer of the State in performing its functions. However, the relevant Minister may give direction to the Trust on administration and financial administration matters. In this context the Minister responsible for the Trust in the year under review is the Hon Sue Ellery MLC, Minister for Education and Training.

Mission

To support educational initiatives that will lead to long-term benefits for Western Australian school students.

Objectives and Functions

In accordance with the Act, the Trustees have the power to:

- oversee and manage all real and personal property at any time vested in or acquired by the Trust (section 6 of the Act)
- grant leases of any lands granted or demised to the Trust, or to sell any land vested in the Trust - within the provision of the Act and with the approval of the Governor (sections 7, and 9A of the Act)
- dispose of any real or personal property acquired by gift, devise or bequest and subject only to the express trusts of any deed, will or instrument under which the property was acquired (section 8 of the Act)
- maintain and invest funds received from rents, issues, profits and proceeds of sale of all real and personal property vested in or acquired by the Trustees and utilise the proceeds for education purposes (section 9 of the Act).

The Trust generates revenue from interest on investments. The proceeds from investments are made available, through a grants funding scheme, to organisations and educational institutions for the purpose of education-based research projects relevant to the current needs of Western Australian school students, teachers, schools and their communities.

In line with the former Government's decision to cease the activities of the Trust, no operational activities occurred during 2020-21.

On 14 August 2019, the Trustees agreed to sell the Land holdings vested in the Trust to LandCorp free of the Land Use Condition provided that the sale of the Land is paid to the Trust. The Minister for Education, on behalf of the Trustees, has requested a Land Use Regulation through the Minister for Lands to free the Land of the Land Use Condition. The Minister for Lands has acknowledged this request and work is ongoing on drafting the Land Use Regulation.

Administrative Structure

The Trust membership, in accordance with the provisions of section 2 of the Act, consists of the Minister charged with the administration of the *School Education Act 1999*, Trustees are appointed by the Governor.

The membership of the Trust for the reporting period comprised:

- Hon Sue Ellery, Minister for Education and Training
- Ms Lisa Rodgers – Director General, Department of Education
- Ms Philippa Beamish Burton (ceased 1 July 2020 and reappointed 27 July 2021)
- Mr Jay Peckitt (ceased 1 July 2020 and reappointed 27 July 2021)
- Ms Joanne Harris (ceased 1 July 2020 and reappointed 27 July 2021)

The Trust was supported in the administration of its responsibilities by the Department of Education (the Department). The Department provides administrative and financial support to assist the Board in the management of its land holdings and investment accounts and the allocation of grant funding.

Section 14 of the Act provides for the requirement that the provisions of the *Financial Management Act 2006* and the *Auditor General Act 2006* apply to and in respect of the Trustees and their operations.

Under the *Financial Management Act 2006* section 57, the Trust is required to designate a Chief Finance Officer (CFO). The Department has provided an officer to fulfil the duties of a CFO. It is the responsibility of the CFO to ensure that the Board has a financial management system that complies with the requirements prescribed by the *Financial Management Act 2006* and the Treasurer's Instructions.

Although the Department is enabling the Trust in the administration of its duties, full accountability remains with the Board of Trustees.

Legislation impacting on the Trust's Activities

In performance of its functions, the Trust complies with the following relevant written laws:

- *Auditor General Act 2006*
- *Contaminated Sites Act 2003*
- *Disability Services Act 1993*
- *Electoral Act 1907*
- *Equal Opportunity Act 1984*
- *Financial Management Act 2006*
- *Freedom of Information Act 1992*
- *Industrial Relations Act 1979*
- *Minimum Conditions of Employment Act 1993*
- *Occupational Safety and Health Act 1984*
- *Procurement Act 2020*
- *Public Sector Management Act 1994*
- *Salaries and Allowances Act 1975*
- *State Records Act 2000*
- *State Supply Commission Act 1991*.

Performance Management Framework

Outcome Based Management Structure

The Outcome Based Management (OBM) structure was developed in conjunction with the Department of Treasury and the Office of the Auditor General. The Trust's Outcome Based Management Framework did not change during 2020-21.

Government Goal	Agency Level Government Desired Outcome	Service
Outcomes Based Service Delivery: Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.	Enhancement of the public education of Western Australian students.	Grants – providing grants for public education purposes, for projects that will benefit the education of Western Australian students.

The Trust's key effectiveness indicators provide information on the extent to which the outcome has been achieved through the delivery of the agreed service. The Trust's efficiency indicator demonstrates the efficiency with which the Trust delivers the agreed service. Performance against key effectiveness and efficiency indicators is detailed on pages 30-31.

Shared Responsibility with Other Agencies

The Trust did not share any responsibilities with other agencies in 2020-21.

SECTION 2: REPORT ON OPERATIONS

Report on Operations

Performance

Land Holdings

Freehold land vested in the Trust as at 30 June 2021 totals 3.0152 hectares and has a fair value of \$6,815,905. This land can be described as FREMANTLE - Reserve No.11384; Lots 1186-1192, 1197-1200, 1207-1208, 1213-1215, and 1725. The land was leased to BP Australia Ltd until 31 May 2005. The land is currently unoccupied.

Trust Income

Leasing of Trust Land

The Trust did not receive any income from the Fremantle land for the period ended 30 June 2021. The land has been unoccupied since March 2006.

Investment of Trust Funds

The Trust has one account at the Commonwealth Bank of Australia (CBA), which combines the Trust's Investment and Operating accounts.

Funds held within the CBA account are invested by the Department of Treasury through the Western Australian Treasury Corporation and received interest of \$nil for the period ending 30 June 2021.

Utilisation of Trust Finance

Expenditure of \$38,017 was authorised during the financial year to fund administration expenses.

Grant Funding

During the reporting period 2020-21, the future use of the Trust's resources was under consideration. No new grants were made by the Trust during the reporting period.

Grant Payments Made

No grant payments were made during 2020-21.

Financial Targets

	2020–21 Target ⁽¹⁾ \$	2020–21 Actual \$	Variance ^(a) \$
Total cost of services	-	38,017	(38,017)
Net cost of services	-	(38,017)	38,017
Total equity	-	19,991,067	(19,991,067)
Net increase / (decrease) in cash held	-	(31,791)	31,791
Approved full time equivalent (FTE) staff level	-	-	-

1. No targets were prepared in anticipation of the wind-up for the Trust activities in 2020-21.

(a) The variance is due to the fact that no estimates were prepared in anticipation of the wind-up of the Trust activities in 2020-21. However, the Trust is currently in 'caretaker' mode and expenditure exists only for administrative purposes.

SECTION 3: SIGNIFICANT ISSUES

Significant Issues and Trends

In line with the former Government's decision to cease the activities of the Trust, no operational activities occurred during 2020-21.

The Trust owns a parcel of land in Fremantle, which for a number of years was leased as a bunkering facility. In May 2007, the land was classified as 'Contaminated - remediation required' under the *Contaminated Sites Act 2003* (WA). An appeal against the classification by the long-term lessee of the site was not successful. The site was reclassified as 'Remediated for restricted use' by the Department of Environmental Regulation. This was approved by the Department of Health on the 22 August 2016.

On 14 August 2019, the Trustees agreed to sell the Land holdings vested in the Trust to LandCorp free of the Land Use Condition, provided that the sale of the Land is paid to the Trust. The Minister for Education, on behalf of the Trustees, has requested a Land Use Regulation through the Minister for Lands to free the Land of the Land Use Condition. The Minister for Lands has acknowledged this request and work is ongoing on drafting the Land Use Regulation.

In July 2021, the State Government agreed to draft legislation to repeal the *Public Education Endowment Act 1909* (Act) and return the assets to the Consolidated Account.

In accordance with Section 35 (1) (b) of the *Public Sector Management Act 1994*, the Department of Education Services was amalgamated with the Department of Education from 1 July 2017. Administrative support since this date has been provided by the Department of Education.

SECTION 4: DISCLOSURES AND LEGAL COMPLIANCE

Disclosures and Legal Compliance

Financial Statements

Certification of Financial Statements

For the year ended 30 June 2021

The accompanying financial statements of the Public Education Endowment Trust have been prepared in compliance with the provisions of the *Financial Management Act 2006* from proper accounts and records to present fairly the financial transactions for the financial year ended 30 June 2021 and the financial position as at 30 June 2021.

At the date of signing we are not aware of any circumstances that would render any particulars included in the financial statements misleading or inaccurate.

INDEPENDENT AUDITOR'S OPINION

2021

Trustees of Public Education Endowment

To the Parliament of Western Australia

Report on the audit of the financial statements

Opinion

I have audited the financial statements of the Trustees of Public Education Endowment (Trust) which comprise:

- the Statement of Financial Position at 30 June 2021, and the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial statements are:

- based on proper accounts and present fairly, in all material respects, the operating results and cash flows of the Trustees of Public Education Endowment for the year ended 30 June 2021 and the financial position at the end of that period
- in accordance with Australian Accounting Standards, the *Financial Management Act 2006* and the Treasurer's Instructions.

Basis for opinion

I conducted my audit in accordance with the Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of my report.

I am independent of the Trust in accordance with the *Auditor General Act 2006* and the relevant ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial statements. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Trustees for the financial statements

The Trustees are responsible for:

- keeping proper accounts
- preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the *Financial Management Act 2006* and the Treasurer's Instructions
- such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for:

- assessing the entity's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the Western Australian Government has made policy or funding decisions affecting the continued existence of the Trust.

Auditor's responsibilities for the audit of the financial statements

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial statements. The objectives of my audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial statements is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

Report on the audit of controls

Opinion

I have undertaken a reasonable assurance engagement on the design and implementation of controls exercised by the Trustees of Public Education Endowment. The controls exercised by the Trust are those policies and procedures established by the Trustees to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions (the overall control objectives).

My opinion has been formed on the basis of the matters outlined in this report.

In my opinion, in all material respects, the controls exercised by the Trustees of Public Education Endowment are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities have been in accordance with legislative provisions during the year ended 30 June 2021.

The Trustees responsibilities

The Trustees are responsible for designing, implementing and maintaining controls to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities are in accordance with the *Financial Management Act 2006*, the Treasurer's Instructions and other relevant written law.

Auditor General's responsibilities

As required by the *Auditor General Act 2006*, my responsibility as an assurance practitioner is to express an opinion on the suitability of the design of the controls to achieve the overall control objectives and the implementation of the controls as designed. I conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3150 *Assurance Engagements on Controls* issued by the Australian Auditing and Assurance Standards Board. That standard requires that I comply with relevant ethical requirements and plan and perform my procedures to obtain reasonable assurance about whether, in all material respects, the controls are suitably designed to achieve the overall control objectives and were implemented as designed.

An assurance engagement involves performing procedures to obtain evidence about the suitability of the controls design to achieve the overall control objectives and the implementation of those controls. The procedures selected depend on my judgement, including an assessment of the risks that controls are not suitably designed or implemented as designed. My procedures included testing the implementation of those controls that I consider necessary to achieve the overall control objectives.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Limitations of controls

Because of the inherent limitations of any internal control structure, it is possible that, even if the controls are suitably designed and implemented as designed, once in operation, the overall control objectives may not be achieved so that fraud, error or non-compliance with laws and regulations may occur and not be detected. Any projection of the outcome of the evaluation of the suitability of the design of controls to future periods is subject to the risk that the controls may become unsuitable because of changes in conditions.

Report on the audit of the key performance indicators

Opinion

I have undertaken a reasonable assurance engagement on the key performance indicators of the Trustees of Public Education Endowment for the year ended 30 June 2021. The key performance indicators are the Under Treasurer-approved key effectiveness indicators and key efficiency indicators that provide performance information about achieving outcomes and delivering services.

In my opinion, in all material respects, the key performance indicators of the Trustees of Public Education Endowment are relevant and appropriate to assist users to assess the Trust's performance and fairly represent indicated performance for the year ended 30 June 2021.

The Trustees responsibilities for the key performance indicators

The Trustees are responsible for the preparation and fair presentation of the key performance indicators in accordance with the *Financial Management Act 2006* and the Treasurer's Instructions and for such internal control it determines necessary to enable the preparation of key performance indicators that are free from material misstatement, whether due to fraud or error.

In preparing the key performance indicators, the Trustees are responsible for identifying key performance indicators that are relevant and appropriate, having regard to their purpose in accordance with Treasurer's Instruction 904 *Key Performance Indicators*.

Auditor General's responsibilities

As required by the *Auditor General Act 2006*, my responsibility as an assurance practitioner is to express an opinion on the key performance indicators. The objectives of my engagement are to obtain reasonable assurance about whether the key performance indicators are relevant and appropriate to assist users to assess the entity's performance and whether the key performance indicators are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. I conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3000 *Assurance Engagements Other than Audits or Reviews of Historical Financial Information* issued by the Australian Auditing and Assurance Standards Board. That standard requires that I comply with relevant ethical requirements relating to assurance engagements.

An assurance engagement involves performing procedures to obtain evidence about the amounts and disclosures in the key performance indicators. It also involves evaluating the relevance and appropriateness of the key performance indicators against the criteria and guidance in Treasurer's Instruction 904 for measuring the extent of outcome achievement and the efficiency of service delivery. The procedures selected depend on my judgement, including the assessment of the risks of material misstatement of the key performance indicators. In making these risk assessments I obtain an understanding of internal control relevant to the engagement in order to design procedures that are appropriate in the circumstances.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

My independence and quality control relating to the reports on controls and key performance indicators

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements*, the Office of the Auditor General maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Other information

The Trustees are responsible for the other information. The other information is the information in the entity's annual report for the year ended 30 June 2021, but not the financial statements, key performance indicators and my auditor's report.

My opinions do not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

Matters relating to the electronic publication of the audited financial statements and key performance indicators

This auditor's report relates to the financial statements, controls and key performance indicators of the Trustees of Public Education Endowment for the year ended 30 June 2021 included on the Trust's website. The Trust's management is responsible for the integrity of the Trust's website. This audit does not provide assurance on the integrity of the Trust's website. The auditor's report refers only to the financial statements, controls and key performance indicators described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements, controls or key performance indicators. If users of the financial statements, controls and key performance indicators are concerned with the inherent risks arising from publication on a website, they are advised to contact the entity to confirm the information contained in the website version of the financial statements, controls and key performance indicators.

Notes to the Financial Statements

For the year ended 30 June 2021

Note 1. Basis of Preparation

General

The Public Education Endowment Trust (the Trust) was created in 1909 under the provisions of the *Public Education Endowment Act 1909* (the Act). The Trust is a not-for-profit reporting entity that prepares general purpose financial statements. The legislated name of the Trust as per the Act is “Trustees of Public Education Endowment”.

A description of the nature of its operations and its principal activities have been included in the ‘Overview’, which does not form part of these financial statements.

Statement of Compliance

These general purpose financial statements have been prepared in accordance with:

1. The *Financial Management Act 2006 (FMA)*
2. Treasurer’s Instructions (**TIs**)
3. Australian Accounting Standards (**AAS**) – Reduced Disclosure Requirements
4. Where appropriate, those **AAS** paragraphs applicable for not-for-profit entities have been applied.

The FMA and the TIs take precedence over AAS. Several AAS are modified by the TIs to vary application, disclosure format and wording. Where modification is required and has had a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements

Note 2. Summary of Significant Accounting Policies

Note 2. a) Basis of preparation

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention, except for the investment property which have been measured at fair value.

The Trust has adopted any applicable new and revised Australian Accounting Standards from their operative dates.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated.

The financial statements are presented in Australian dollars and are all rounded to the nearest dollar (\$).

Note 2. b) Reporting entity

The reporting entity is comprised of the Trust. There are no related bodies.

Note 2. c) Income

Revenue recognition

Resources received from other public sector entities are recognised as income (and assets or expenses) equivalent to the fair value of the assets, or the fair value of those services that can be reliably determined and which would have been purchased if not donated.

Note 2. d) Investment Property

Investment property, principally comprising freehold land, is held for long-term rental yields and is not occupied by the Trust. Investment property is carried at fair value, as mandated by TI 954, representing open market value determined annually by external values. A gain or loss arising from a change in the fair value of investment property shall be recognised in the Statement of Comprehensive Income for the period in which it arises.

Note 2. e) Impairment of assets

The Investment property is tested for any indication of impairment at the end of each reporting period. Where there is an indication of impairment, the recoverable amount is estimated. Where the recoverable amount is less than the carrying amount, the asset is considered impaired and is written down to the recoverable amount and an impairment loss is recognised.

Note 2. f) Financial Instruments

In addition to cash the Trust has two categories of financial instrument:

- Financial assets measured at amortised cost; and
- Financial liabilities measured at amortised cost.

Financial instruments have been disaggregated into the following classes:

- Financial Assets
 - Cash and cash equivalents
 - Receivables
- Financial Liabilities
 - Payables

Note 2. g) Cash and cash equivalents

For the purpose of the Statement of Cash Flows, cash and cash equivalent (and restricted cash and cash equivalent) assets comprise cash on hand and short-term deposits with original maturities of three months or less that are readily convertible to a known amount of cash and which are subject to insignificant risk of changes in value.

Note 2. h) Payables

Payables are recognised at the amounts payable when the Trust becomes obliged to make future payments as a result of a purchase of assets or services. The carrying amount is equivalent to fair value, as they are generally settled within 30 days.

Note 2. i) Assets and services received free of charge or for nominal cost

Assets or services received free of charge or for nominal cost that can be reliably measured are recognised as income at the fair value of the assets and/or the fair value of those services that the Trust would otherwise pay for. A corresponding expense is recognised for services received. Receipts of assets are recognised in the Statement of Financial Position. Assets or services received from other State Government agencies are separately disclosed under Income from State Government in the Statement of Comprehensive Income.

Note 2. j) Comparative figures

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.

Note 2. k) Judgements and estimates Changes in accounting estimates

Judgements, estimates and assumptions are required to be made about financial information being presented. The significant judgements and estimates made in the preparation of these financial statements are disclosed in the notes where amounts affected by those judgements and/or estimates are disclosed. Estimates and associated assumptions are based on professional judgements derived from historical experience and various other factors that are believed to be reasonable under the circumstances. There were no changes in accounting estimates that will have an effect on the current reporting period.

The land is independently valued annually by the Western Australian Land Information Authority (Valuation Services) to assess fair value as at 30 June 2021. The investment property was valued by comparison and analysis of open market transactions involving land of similar nature, location and zoning.

Related parties of the Trust include:

- The Minister for Education and Training and her close family members, and their controlled or jointly controlled entities
- All Trustees and their close family members, and their controlled or jointly controlled entities
- All senior officers and their close family members, and their controlled or jointly controlled entities
- Other Departments and public sector entities

During the financial year, the Trust had significant transactions with a government-related entity. In conducting its activities, the Trust is required to transact with the State and entities related to the State. These transactions are generally based on the standard terms and conditions that apply to all agencies. The transaction related to remuneration for services provided by the Auditor General (Note 18).

The Trust had no material related party transaction with the Minister, Trustees or senior officers, or their close family members or their controlled (or jointly controlled) entities for disclosure in 2020-21.

Note 14. Contingent Liabilities and Contingent Assets

Contingent Liabilities

In addition to the liabilities included in the financial statements, there are the following contingent liabilities:

Contaminated Sites

Under the *Contaminated Sites Act 2003*, the Public Education Endowment Trust is required to report known and suspected contaminated sites to the Department of Water and Environmental Regulation (DWER). In accordance with the Act, DWER classifies these sites on the basis of the risk to human health, the environment and environmental values. DWER classified the Trust's Fremantle site as 'Remediated for restricted use'. The soil on the site has been remediated to the extent that the site is suitable for any proposed residential use. The groundwater below the site is still contaminated, and is not to be extracted except for analytical purposes. As part of the disposal process, the land will be valued taking into account an environmental assessment to determine the impact of any contamination. Therefore, the Trust is unable to reasonably estimate the potential financial effect or to identify the uncertainties relating to the amount or timing of outflows.

Contingent Assets

There were no contingent assets for the period ending 30 June 2021.

Note 15. Events Occurring After the End of the Reporting Period

In July 2021, the State Government agreed to draft legislation to repeal the *Public Education Endowment Act 1909* (Act) and return the assets to the Consolidated Account.

Note 16. Financial Instruments

The carrying amounts of each of the following categories of financial assets and financial liabilities at the end of the reporting period are as follows:

	2020-21 \$	2019-20 \$
Financial Assets		
Cash and cash equivalents	13,190,379	13,222,170
Financial assets at amortised cost ^(a)	673	955

 Financial Liabilities		
Financial liabilities at amortised cost ^(b)	15,958	30,704
Total financial liability	15,958	30,704

(a) The amount of financial assets at amortised cost excludes GST recoverable from the ATO (statutory receivable).

(b) The amount of financial liabilities at amortised cost excludes GST payable to the ATO (statutory payable).

Note 17. Explanatory Statement

In accordance with TI 945 (1)(ii), the Trust is not required to disclose an Explanatory Statement as defined in AASB 1055, as the Total Cost of Services does not exceed \$10 million for the two most recent consecutive comparative periods.

Note 18. Remuneration of Auditor

Remuneration paid or payable to the Auditor General in respect of the audit for the current financial year is as follows:

Key Performance Indicators

Government Goal - Outcomes Based Service Delivery: Greater focus on achieving results in key service delivery areas for the benefit of all Western Australians.

Desired Outcome - Enhancement of the public education of Western Australian students.

The Trust has the following set of key performance indicators to assist in the measurement of the efficiency and effectiveness with which the Trust pursues its organisational outcome. These indicators report against the Outcome Based Management structure for the Trust and have been developed by the Trustees in conjunction with the Minister for Education and Training and the Department of Treasury.

Due to the planned wind-up of the Trust's operations, which was expected in the 2020-21 reporting period, no targets have been provided for the effectiveness and efficiency indicators for the current year.

through to very ineffective. No grants were administered during 2015-16 to 2020-21 reporting periods and consequently no surveys were undertaken.

A new research focus for the grant funding scheme was approved by the Trust in 2011 and in October 2012, six university research grant funding agreements were finalised. These research projects ran for periods ranging from twelve to twenty-four months and therefore no useful survey of stakeholders was able to be undertaken.

KPI 2 – Consideration of Grant Applications

Considering grant applications forms a major part of the Trust's core business.

There has been no call for grant applications since 2011-12. Consequently, no grant applications were received or considered during the period from 2012-13 to 2020-21 inclusive.

Effectiveness Indicators

The effectiveness indicators measure the achievement of the Trust in meeting the needs of Western Australian students by providing grants for educational initiatives.

KPI 1 – Annual Grant Feedback Survey

The grant feedback survey was designed to be administered annually to measure the extent to which grant-funded projects achieve their objectives in terms of educational benefits to Western Australian students. The survey, administered to external stakeholders, including the grant program manager, school principals and relevant regional offices, was designed to measure the perception of the effectiveness of the funded projects on a five-point scale ranging from very effective

Efficiency Indicator

This efficiency indicator measures the efficiency with which the Trust delivers its core service: providing grants for public education purposes, for projects that will benefit the education of Western Australian students.

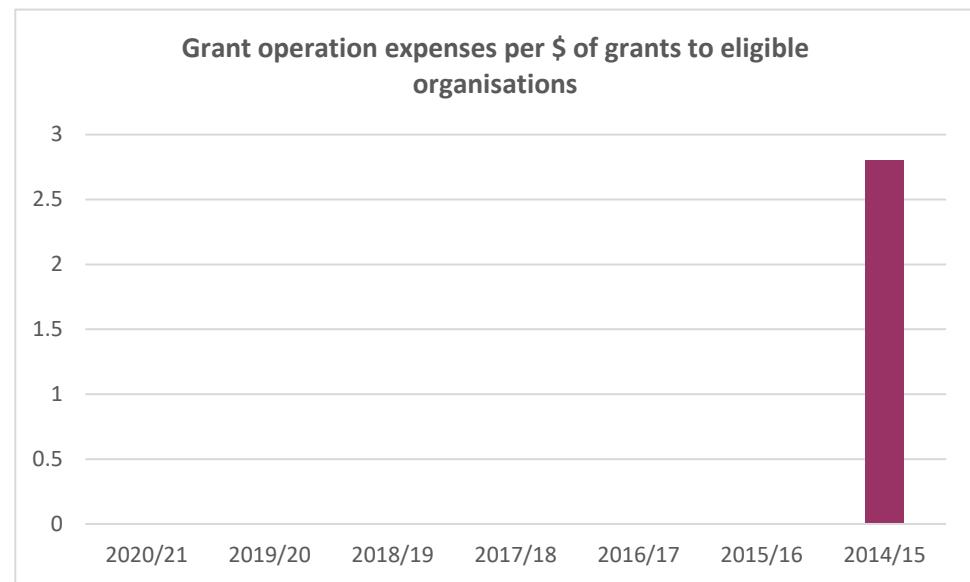

KPI 3 – Grants Operations Expenses per \$ of Grants Provided to Eligible Organisations

This efficiency indicator is calculated by dividing the cost of service, as reported in the Income Statement, less the grants paid, less land expenses, by the value of the grants provided.

This measure shows the extent to which the Trust has maximised grant funding to eligible organisations while containing its operations expenditure related to distributing grants.

No grants were issued in 2020-21. The increase in the grants operation expenses per \$ of grants eligible in 2014-15 was due to only one grant being paid, while the Trust still incurred standard administration costs.

The number of grants provided in each year is highly variable. No grants were provided from 2015-16 to 2020-21. Consequently, no efficiency indicator calculation is possible for these periods.

Ministerial Directives

No Ministerial directives were received during the reporting period.

Other Financial Disclosures

Employment and Industrial Relations

The Public Education Endowment Trust meets its legislative and reporting requirements through arrangements with the Department of Education. The Department's Annual Report contains information relating to staffing policies and procedures, staff development, recruitment, performance management, grievance resolution, public interest disclosure and other industrial relations matters.

Staff Profile	2020–21	2019–20
Full-time permanent	-	-

Governance Disclosures

Contracts with Senior Officers

At the date of reporting, other than normal contracts of employment of service, no Trustees or Senior Officers, or firms of which Senior Officers or Trustees are members, or entities in which Senior Officers or Trustees have substantial interests, had any interests in existing or proposed contracts with the Public Education Endowment Trust, Trustees and Senior Officers.

Other Legal Requirements

Advertising and Sponsorship

Section 175ZE of the *Electoral Act 1907* requires public agencies to report details of expenditure to organisations providing services in relation to advertising, market research, polling, direct mail and media advertising. The Trust did not incur expenditure of this nature in the 2020-21 reporting period.

Compliance with Public Sector Standards and Ethical Codes

In the administration of its statutory responsibilities, the Public Education Endowment Trust has complied with the Public Sector Standards in Human Resource Management, the Western Australian Public Sector Code of Ethics and its own Code of Conduct. The Trust's Code of Conduct was updated in 2013 and is based on the Public Sector Code of Ethics, namely personal integrity; relationships with others; and accountability.

Other Government Policy Requirements

The Public Education Endowment Trust meets its legislative and reporting requirements through arrangements with the Department of Education. The Department's Annual Report contains information on how the Department meets the following requirements:

- Disability Access and Inclusion Plan Outcomes.
- Recordkeeping Plans.
- Occupational Safety, Health and Injury Management.
