

**LEGISLATIVE COUNCIL**  
**Question On Notice**

**Tuesday, 30 August 2022**

**898. Hon Tjorn Sibma to the Minister for Emergency Services representing the Minister for Environment**

With respect to current waste management facilities, I ask?

1. How many landfill sites (both lined and unlined) are currently licensed to operate on the Swan Coastal Plain?
2. Where are the above sites located, and when are their licenses due for expiry/renewal?

---

**Answer**

1. There are 18 putrescible waste landfill sites and 15 inert landfill sites on the Swan Coastal Plain licensed to operate under Part V, Division 3 of the *Environmental Protection Act 1986* across the municipal, commercial, mining and industrial sectors. There is one putrescible landfill site on the Swan Coastal Plain holding an active registration under the *Environmental Protection Regulations 1987*.
2. See tabled paper no. XXXX

## Schedule 1

### List of landfills licensed under Part V, Division 3 of the *Environmental Protection Act 1986* within the Swan Coastal Plain
