Grants from Commonwealth Government agencies received to support the objectives of the WA Police Force will generally be recognised as income under AASB 1058 as they do not constitute a contract with a customer, are not clearly enforceable and are not sufficiently specific about the performance obligations of the WA Police Force.

Where Commonwealth specific purpose funding is received, grant income is recognised at fair value when the WA Police Force obtains control over the assets comprising the contributions which is usually when the grants are receivable. The exception is when the contribution requires the WA Police Force to acquire or construct a non-financial asset, in such cases, income is recognised as the asset is acquired or constructed.
