Dear Mr Gammie

**NATIONAL SECURITY AND NATURAL DISASTER SUPPORT – DIRECTION
UNDER SECTION 65(1) OF THE LAND INFORMATION AUTHORITY ACT 2006**

Section 17 of the *Land Information Authority Act 2006* (LIA) provides for certain information to be supplied free of charge by Landgate in exceptional cases upon receiving direction from the Minister for Lands and with the concurrence of the Treasurer.

I consider preparedness, response, and recovery in relation to national security and/or a national or Western Australian emergency to be classified as an exceptional case.

In this context, under section 65(1) of the LIA, I hereby direct Landgate to provide the following information free of charge for the nominated purpose and to the relevant class of persons described below if such information is requested by any of the class of persons.

Information

Land information that Landgate may supply under the LIA including, but not limited to, topographical maps and national datasets for the State of Western Australia.

Nominated Purpose

To enable preparedness, response and recovery in relation to national security and/or a national or Western Australian emergency.

Class of Persons to whom the information is to be supplied

- Australian Geospatial Intelligence Organisation, Department of Defence.

Yours sincerely

Hon John Carey MLA
MINISTER FOR LANDS

04 AUG 2023

I concur with the above direction.

Hon Rita Saffioti MLA
TREASURER
