Question Without Notice

C1510. Hon Louise Kingston to the Minister representing the Minister for Police

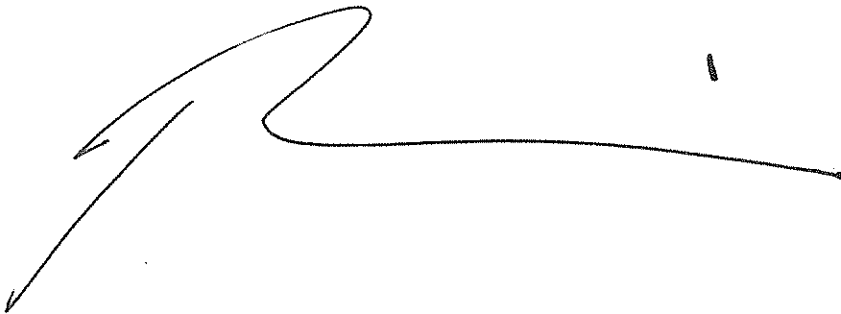

I refer to the Minister for Police's foreword in the Consultation Paper 'Reform of firearms laws in Western Australia' and the Ministers comment that 100 separate engagements with stakeholder groups took place, and I ask:

1. Will the Minister table a full list of these 100 separate engagements?
2. If not, why not?

Answer

I thank the Honourable Member for some notice of the question. The following information has been provided to me by the Minister for Police.

I table the list of engagements, which is a de-identified list of separate engagements without names and personal details.

A handwritten signature in black ink, consisting of a large, stylized 'R' followed by a horizontal line extending to the right.
